General Government

REPORT OF THE BOARD OF SELECTMEN

The year 1968 was the first complete year that the Selectmen's Department had operated with the full-time administrative assistant. It was a very busy and, we believe, a most productive year.

The department had in excess of 2000 visitors, 1500 telephone inquiries, and more than 2700 messages and letters were sent out relating to a vast number of subjects.

There were 47 evening meetings of the Board of Selectmen. Three quarterly meetings were called for town departments and committees to discuss: The Warrant Articles for the Annual Town Meeting; the projected needs of the School Department; and future planning of public transportation needs.

As usual, many licenses were granted and the total license fees collected for the calendar year was \$23,868.50 and \$371.88 was collected as advertising reimbursements to the town, to advertise certain-type licenses. A total of \$24,240.38 was received and transmitted to the Town Treasurer.

One of the most important changes affecting our town was the re-districting that allowed Chelmsford, for the first time, to have its own Representative to the General Court. The Selectmen, as well as many citizens, did emphasize the need for such representation to the County Commissioners.

The Selectmen have been participating as members of an Area Transportation Committee to study future needs of Public Transportation in the greater Lowell area. A number of meetings have been held in Lowell

and it is expected that some significant changes may develop later in 1969 with the possibility that a Greater Lowell Area Transportation Authority will be formed. In the meantime, the Selectmen have, after approval was given by the voters at a Town Meeting, approved short term contracts with the MBTA until late March 1969.

During 1968 the voters authorized the Sewer Advisory Committee to proceed with the preliminary planning of a sewerage system for Chelmsford and granted the authorization for procuring a parcel of land upon which will be built the disposal plant. The Selectmen are working closely with members of the Sewer Advisory Committee in order that the project may proceed in accordance with the Proposed Schedule.

Effective July 1st, 1968, the Welfare Department administration and operation was taken over by the Commonwealth of Massachusetts. An office continues to be maintained by the state at the Center Town Hall where our citizens may confer with the staff. The Board of Public Welfare of Chelmsford no longer functions under local control due to these changes.

The Selectmen have received applications for the installation of Cablevision Systems in the Town. No action has been taken on these requests due to the fact that this subject is still being discussed by the legislature, consumer groups and the Department of Public Utilities. The Selectmen are waiting to see what action the legislature takes regarding this subject before making any decisions.

This past year was a most active one for the Election Department, over which the Selectmen supervise. At the time of the State and Presidential Election during November 1968, some eighty tellers and counters were added to the staff, to enable an early release of election information. We are, indeed, grateful to the regular election staff and the additional helpers who served so efficiently.

The Selectmen attended a preview meeting, at the Department of Public Works in Boston, along with other State, City and Town officials in regard to the proposed highway connecting Route 3 in Chelmsford with Route 38. The proposed plan and alternate routes included a new bridge over the Merrimack River. Arrangements were made for an informational session and display of the proposed plans in Chelmsford in order that citizens would be able to view the proposed routes prior to the formal hearing to be held in Lowell.

The Selectmen have taken note of the passing of two Chelmsford servicemen who were serving their country in South Vietnam. Late in 1967 PFC John F. Bettencourt, Jr. lost his life and during November

1968 Major Charles D. Ballou was killed. The citizens of this community were saddened by these events and we all extend our condolences to their families.

We regret also to report that Mr. Arnold C. Perham will no longer be able to assist this department in the handling of work for numbering of all dwellings, and buildings within the town. Mr. Perham did this work, without remuneration, for a period of twenty-eight years. The Selectmen are most grateful for the help and assistance given over the years by this civic minded town officer. The Street Numbering work is now handled within the Assessors Department where all pertinent data is kept.

Various dog complaints came before the Selectmen and three hearings were conducted. The Dog Officer has taken steps to improve conditions at the Dog Pound where a new modern-type kennel will be constructed.

Two old town buildings, previously owned by town organizations for civic purposes, have been turned back to the town, inasmuch as each organization has become inactive. These are the Westlands Improvement Association building on Stedman St., now in the custody of the School Department and the South Row Improvement Association building on Mill Road, now in the temporary custody of Chelmsford Memorial Post 5990, Veterans of Foreign Wars.

The Selectmen and the Board of Health have held conferences regarding the future expansion of the North Town Dump and the advisability of making use of the Lowell Incinerator. The City of Lowell, through its Manager and Council, have offered Chelmsford the opportunity to use this facility. A study is now underway to determine what course of action the two boards should take.

Improvements in street lighting have been made at Chelmsford Street, Eastgate Plaza, and Cinema City, at Central Square and Littleton Road near the new Elks Club Building.

The Selectmen have been concerned with the cost of implementing the Kindergarten Program in Chelmsford and they had considered asking for a delay in this project. The School Committee and Selectmen did confer at length on the matter and it was agreed to postpone any action, at this time. The School Committee assured the Board of Selectmen that the situation would be under constant surveillance and if it was determined, prior to the implementation date, that other grades in the School System were likely to suffer, due to lack of space, the Selectmen would be so notified and, if necessary, a delay in implementation would be requested.

The Central Square Rotary Traffic Plan is nearly ready to place in operation with new signs, islands and resurfaced and widened roads. The plan was tested during the Christmas Holiday Season and was found to work exceedingly well. The Land Takings on Summer Street Extension have been completed and it is expected that this route from Boston Road to Grove and Billerica Streets will be in use later in 1969 and will be helpful in diverting much through traffic away from Central Square.

Other important projects for 1969 include: Plans for survey and improvement of town brooks; the planning of new recreational facilities for school children; a plan of protest to the State Department of Public Utilities and Interstate Commerce Commission to oppose the elimination of railway freight service between Framingham and Lowell by the NYNH&HRR, that would eliminate this service in the Town of Chelmsford. This action on the part of the NYNH&HRR could seriously effect the industrial growth of the town and the industrial growth of all towns, serviced by this railroad, located adjacent to Route 495.

The year 1968 brought about: The formation of a Council for the Aging, that works with our Senior Citizens, and which has been quite active; the purchase of a Two-Way Radio System for the Highway Department that has greatly expedited the work of snow plowing; and the holding of two hearings for land fill operations under the Hatch Act.

Chelmsford continues to grow in population and in new commercial and business enterprises which help the economic conditions of our community. Twenty-nine new streets were accepted at the 1968 Annual Town Meeting. This in itself, is a reflection of our continued growth.

On the lighter side, we were very pleased to observe the great success of the July 4th Celebration. It has been many years since a parade and celebration of this type has been held in Chelmsford. We are sure that our citizens enjoyed the events of the day and we are looking forward to the 1969 celebration. We feel that it was a most important event and helped to emphasize the historical values of our country.

Once again we express our appreciation to the citizens of this town who have placed their trust in this office and have cooperated so often when assistance has been needed. We also acknowledge the assistance of all town officers, department heads, and committees. We feel that the efforts of all persons combined have helped to make Chelmsford a better community in which to reside.

Respectfully yours,
GERALD J. LANNAN, Chairman
WILLIAM L. HARVEY
HOWARD E. HUMPHREY
Board of Selectmen

Protection of Persons and Property

POLICE DEPARTMENT

Thomas A. Palmer, Chief

To the Honorable Board of Selectmen

Town of Chelmsford, Massachusetts

Gentlemen:

I herein respectfully submit, for your information and review, the Annual Report of the Police Department for the fiscal year 1968.

In submitting this report, I have outlined activities of the various sections of the department, as an appraisal and account of the department's dedication and devotion to duty, which the Town of Chelmsford justifiably demanded and received during the year.

At present the department is made up of 32 men. Many of the officers are known to the towns-people, while others are not. For this reason pictures have been included, along with the respective dates of appointments.

In 1968, a Criminal Bureau was set up within the department. At the present time it has one full-time and six part-time personnel. These officers work in plain clothes. Their primary job is to carry out and complete investigations on all major crimes. This type of investigation requires the availability of trained personnel to check out all leads and gather and compile evidence for presentation in court. In doing so, the Bureau has developed a close cooperation and communication with other agencies in disseminating information.

With the ever increasing crime rate, it is imperative that more time and effort will be spent on combating crime. I feel that the Bureau has proved and will continue to prove even more so in the future an important step in making our town a safer place to live.

It is our hope that in the near future a Juvenile Bureau may be added within the department. Our Statistics indicate that over forty percent (40%), of the reported crimes in our town involve juveniles. Basically this unit would be dealing primarily with youth, although it could be utilized elsewhere in case of extreme emergency. It has been proven that the community as well as the individual juvenile benefit with this type of unit. Personnel for this unit will be drawn from within the department, emphasis being placed on personal characteristics and education.

SAFETY OFFICER JOHN BELL

On May 21, 1968 the town received a new station wagon through the courtesy of Bournival Chrysler-Plymouth, Inc., Lowell, Mass. At this time I would like to convey my appreciation to them, as well as to Wm. Atherton Insurance for insuring this vehicle. Both vehicle and insurance were donated to our department at no cost to the Town.

This vehicle is used for safety education and training, radar and to follow-up on motor vehicle accident investigations.

Through the cooperation of the school department a safety education program has been inaugurated. This program consists of going about the elementary schools giving talks, showing films and providing safety literature and booklets for the children. It is my belief, that through this effort, injuries and possibly death to our children may be averted.

Along with this program we have embarked on a strict motor vehicular enforcement program. Through the use of radar equipment, our prosecution and conviction of motor vehicle violations has increased immensely. The follow-up phase of investigation of motor vehicle accidents will not only provide us with a better enforcement but also with valuable knowledge of the actual cause leading to the accident. This information is essential for future correction and prevention measures.

Within the town there are more than 250 miles of roads and it is increasing as each year goes by. At the present time the department has five (5) cruisers, four of which are plainly marked with decals and roof lights, the fifth is used primarily by the Criminal Bureau and is not marked. This year our units have traveled 302,240 miles showing an increase of 21,676 miles over 1967. A vivid illustration of the coverage can be seen below.

Firearm Identification Cards		2,278.00
Total	\$ 1,613.50	\$ 4,294.00

During this year there has been two promotions made within the department. Thomas A. Palmer became Chief, filling the position which was open since the death of our former Chief, Ralph J. Hulslander. Robert E. Germann was appointed to the rank of Sergeant, to fill the vacancy created by the promotion of Chief Palmer.

There has been two resignations from the department due to personal reasons. They were Officers William Lawson and Joseph Oczkowski. Our Intermittent Officer's list has also lost Henry Mullen, Frederick Oczowski, Robert Peterson and Herbert Ringerson due to the Civil Service rules in regards to failure to accept permanent appointments. Four new officers have joined our ranks this year. They are: Mark Burramachi, Russell Linstead, John Redican and Edward Rooney.

Last June Officer Donald J. Butler received his Associate in Science Degree in Law Enforcement from the University College of Northeastern University. This is a first for our department and at this time I want to congratulate him. Officer Butler is continuing his education, working towards a Bachelor of Science degree.

Realizing the need for education and training, we have moved forward. Several officers are presently taking courses at Northeastern University. Others have completed Command Training School at Babson Institute and the U. S. Justice's Department school in Narcotics and Dangerous Drugs. Still others have taken training in various fields within law enforcement. During 1968 our officers have spent 2,496 hours in training and education, most of which has been on their own time and expense.

Credit for the success of your Police Department belongs to no one person, but was accomplished only through the continuous cooperation and support of the various Town Officials, Department Staff, Patrolmen, and above all the citizens of Chelmsford.

Respectfully submitted,

THOMAS A. PALMER
Chief

PLUMBING INSPECTOR

In the year 1968 a total of 451 applications for permits to install plumbing by master and journeymen plumbers were issued. Of this number 343 were for new construction, 42 for additional and remodeling. Sixty-six were for hot water heaters.

FIRE DEPARTMENT

Frederick H. Reid, Chief

To the Honorable Board of Selectmen

Town of Chelmsford, Massachusetts

Gentlemen:

I hereby submit my report of the Fire Department for the year ending December 31, 1968.

The Town of Chelmsford continues to build at a rapid rate, and this in turn causes an increase in requests for assistance from the Fire Department. Upon comparing the records for the past ten years, they reveal that the number of calls requested of and responded to by your Fire Department have increased from 286 in 1958 to 854 in 1968.

Continued attention has been given to the work of fire prevention, it being one of the essential parts of our work. During the year, working in conjunction with the State and Town Building Inspectors, inspections were made in all schools and public buildings quarterly, as well as service inspections to all mercantile, industrial, garages and service station buildings.

For 1969, the Department recommends that a committee consisting of five members be appointed for the purpose of proceeding with the preparation of plans and specifications for the construction of a Fire Station in the west section of town. Also to replace a 1941 brush truck now in use at the North Station and a 1965 station wagon now being used by the Chief.

I would like to congratulate and thank the men of the department, both regular and call firefighters, for continuing to maintain the high standard of courage and ability that has been shown in the past.

I wish to express my thanks to all town officials and employees for the excellent cooperation given to the Fire Department during the past year.

Respectfully submitted,

FREDERICK H. REID
Fire Chief

FLUORIDATION OF THE TOWN'S DOMESTIC WATER SUPPLY

At a special Board of Health meeting December 3, 1968, the following action was taken in respect to fluoridating Chelmsfords domestic water supply:

WHEREAS an optimum fluoride content of the community water supply is of demonstrated benefit for sound dental health, especially in children and;

WHEREAS adjustment of fluoride to an optimum level is recognized as safe and of definite beneficial value by all national health authorities and;

WHEREAS the Commissioner of Public Health has notified this Board that the Towns water supplies are below the optimum fluoride level of 1.0 part per million and;

WHEREAS this Board is empowered by Chapter III, Section 8C of the General Laws to order fluoridation of the public water supplies for domestic use, therefore upon a motion duly made and seconded it was unanimously

VOTED that this Board order the adjustment of all Chelmsford water supplies for domestic use to a level of 1.0 part per million of fluoride on or before June 3, 1969.

COMMUNICABLE DISEASES

During 1968 no cases of measles infection were reported to the Board of Health. There were 31 cases of mumps reported. Mumps vaccine, recently developed, was available in limited quantity for school children in grade 7. No increase in various other intestinal diseases were noted over that of last year. One new case of tuberculosis was reported and is currently hospitalized. There was an outbreak of an influenza type of infection in late 1968 that accounted for approximately 10% absenteeism in the schools. It is anticipated that a vaccine for the new virus strain (Hong Kong) will be available for the general public in the near future.

GENERAL ENVIRONMENTAL HEALTH

There were 256 new sewerage installation permits issued during the year. Nuisance complaints on sewerage problems continue to be registered in this office. Many of these are resolved and many are of long standing which only the advent of the municipal sewerage could resolve. The sanitary standards of the majority of eating and drinking establishments continue to remain high. The quality of food and sanitation in retail food establishments also remain high. Bathing beaches continued to remain functional during the summer season. Nuisance complaints, received by telephone, were many and varied and the majority were resolved.

GARBAGE COLLECTION PROGRAM (Solid Waste Disposal)

Garbage collection contracts for the next three years were awarded with a substantial increase in costs over the previous years. This in-

crease appears to be commensurate with increases in other surrounding communities.

The Board is of the opinion that the present town dump facilities will be inadequate for solid waste disposal within five years and that additional land should be acquired in the very near future to meet this eventuality. The Board has recommended to the Selectmen that an article be put in the town warrant to appoint a study committee to investigate and report on methods and techniques on solid waste disposal for Chelmsford.

SCHOOL NURSE'S REPORT - 1968

The School Health Program is concerned with promoting the total health of the pupil; giving attention when needed to the physical, mental, social and emotional needs, and realizing the inter-dependence of each on the other.

In order for the School Nurses to do their work efficiently we must be certain they are:

1. In good physical condition.
2. That they pass the vision test.
3. That they pass the hearing test.

We can help to discover defects, but we need the help of the parents to correct the defects.

If all tests are negative and problems persist then we can refer him to other school specialists such as: Guidance Personnel, Speech Pathologist, or Reading Specialist. The procedure is often reversed, whereas the specialists will consult with the school nurses in helping to diagnose the child's problem.

The State of Massachusetts has now passed a law making it compulsory for every child entering school in this state to have the following immunization procedures: Diphtheria, Whooping Cough and Tetanus, Polio and Measles Vaccine, and to be vaccinated for Smallpox. All these vaccines are given at the clinics in March, April and May.

Mumps vaccine was given to all Grade 7 pupils who returned their permission slips last May.

MOSQUITO CONTROL PROGRAM

Adult mosquito control was carried out by thermel aerosol fogging during the summer season. Weather permitting, fogging was done on a continuous daily basis. Most of the complaints received were regarding delayed coverage. It was pointed out that simultaneous coverage cannot be accomplished and that priority areas of the town, close to swamps and heavily wooded areas, were the first covered since only one fogging apparatus was available.

The pesticide of choice was Dibrom, least harmful to fish, wildlife and plants.

ANIMAL ANTI-RABIES CLINIC

The Board again endorsed an anti-rabies vaccination clinic under the supervision of Dr. Martin A. Gruber, D.V.M. last summer. The public response was much better than the previous year. A total of 340 dogs were vaccinated, an increase of 117 over last year.

PROPOSED MUNICIPAL SEWAGE SYSTEM

Sewer advisory committees report is contained in this edition and Mr. Oliver A. Reeves continues to serve as a member of the committee.

GAS INSPECTOR

To the Honorable Board of Selectmen

Gentlemen:

The following is a report of the Gas Inspector's Department for the year 1968.

There were 495 Applications and the same number of permits were issued.

Information as to the type of installations which were inspected follows:

Furnaces and piping for new dwellings	295
Appliances such as Hot Water Heaters, Dryers, Ranges and Outdoor Fixtures	153
Wall and Space Heater Units	11
Facilities for Commercial Buildings	7
Facilities for Restaurant Equipment	1
Facilities for Apartment Houses	4
Facilities for Egg-Packing Plant	1
Bottled Gas Permits	16
Facility for Heating Trailer	1
Facilities for New Schools	2
Repairs, etc. to existing systems	3
Facility for a Gas Engine	1

TOTAL PERMITS	495
---------------------	-----

Total amount of Permit Fees received was \$2,946.00.

Total amount of Inspection Fees paid to the Gas Inspector was \$2,932.00.

Respectfully submitted,

NEAL C. STANLEY
Gas Inspector

SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen

Gentlemen:

As Sealer of Weights and Measures, I wish to submit my report for the year 1968.

In performing my duty I have sealed the following:

- 117 Gasoline pumps
 - 6 Kerosene, oil and grease meters
 - 2 Scales over 5,000 lbs. to 10,000 lbs.
 - 36 Scales over 100 lbs. to 5,000 lbs.
 - 65 Scales under 100 lbs.
 - 97 Weights

Money received from seals, the sum of \$572.20, has been turned over to the Town Treasurer.

Respectfully submitted,

ANTHONY C. FERREIRA
Sealer of Weights and Measures

WIRE INSPECTOR

The following is a report of the Wire Inspector's Department for the year 1968:

There were 604 applications for permits issued.

There were 1,180 inspections made, not including those to inspect fire damage and complaints of faulty or inadequate wiring.

The different types of inspections made are as follows:

Commercial and Industrial	109
New Homes or Old Homes Re-Wired	839
Miscellaneous (minor installations, service changes, dryers, hot water heaters, etc.)	232
Total	1180
Total amount of Wiring Permit Fees Received	\$5,323.50
Total amount of Fees for Inspections Paid to the Wiring Inspector	\$4,720.00

Respectfully submitted,

HAROLD M. TUCKE, JR.
Wire Inspector

HISTORICAL COMMISSION

Margaret E. Mills, Chairman

William H. Drury

Bradford O. Emerson

Arthur Englund

Arnold C. Perham

Robert E. Picken

Eliot W. Remick

The purposes of an Historical Commission are: "... for the preservation and development of the historical assets of the Town. Such Commission shall conduct researches for places of historical value and shall seek to coordinate the activities of unofficial bodies organized for similar purposes..." Massachusetts General Laws Chapter 40, Section 8D.

During the third year of this Commission's establishment, research and evaluation of significant historical areas and sites has continued. Information relating thereto has been filed for future use in the Commission's office in the Town Hall.

The greatest effort has been expended on documentation of the roads laid out and accepted by the Town during the 18th and 19th centuries. In 1969 research will continue but in records of the 17th century at the Court House. All this information will serve two purposes at least. First, by following the patterns of the old town ways, sites pertinent to the town's economic and sociological history are easier to locate. Descriptions relative to these roads reveal names of early families and locations of their homes (no longer in evidence) and reference to early industry such as "sav-pit hill". Early in 1969 a few copies of these old road descriptions will be made available for official town use and a "reference copy" for use by interested residents or other authorized persons will be kept in the office of the Town Clerk.

Secondly, with this material as a basis this Commission, in 1969, plans to initiate Chelmsford's Historical Trail. Hopefully work will continue on this project until 1975 when an official historical brochure should be completed and published in commemoration of the bicentennial of the American Revolution when an influx of visitors to this area is expected. During the interim this Trail will be of interest to our many new residents and of educational value to our young citizens. Inexpensive maps for guidance will be available with supplements added during the next five years prior to the final edition.

This Commission has cooperated with interested citizens and organizations who desire increased activity of preservation and restoration of the oldest portions of our Town cemeteries which have been designated as official Historic Sites. Meetings were initiated and held with the Cemetery Commissioners and Superintendent. The result will be an

article in the Warrant of the 1969 Annual Town Meeting asking for a modest appropriation to be applicable to a long range plan. With 1975 in mind special attention will be given to sites and areas relative to the period from 1655-1775.

Members of this Commission are grateful to all Town Officials and residents who have generously assisted us in our endeavors.

Respectfully submitted,

MARGARET E. MILLS
Chairman

REPORT OF THE SEWER ADVISORY COMMITTEE

Edgar P. George, Chairman
Finance Committee

William L. Harvey
Selectman

Edwin H. Warren
Conservation Commission

Matthew J. Doyle

Oliver A. Reeves
Board of Health

Robert A. McKittrick
Planning Board

Robert A. Difazio

Since the adoption of phase one of the municipal sewerage program at the special town meeting on September 16, the Commission has been occupied with the myriad of details required in obtaining grants and site acquisition of the program.

Together with the town counsel and engineering consultants, we attended an informational hearing at the State Office Building as a prelude to the Adjudicatory Hearing scheduled for October 10, 1968. This meeting resolved our differences, and the October hearing was set aside.

We engaged a surveyor and proceeded with a thorough survey with bounds and measures necessary for legal process involved in our site acquisition.

The committee is determined to defer the actual site seizure until it has been approved by the authorities empowered to grant the right to proceed with the sewerage program. We wish to avoid the possibility of acquiring land which may be rejected by the authorities. A hearing before the State Board of Health and the Bureau of Natural Resources has been scheduled for January 30, 1969. Following approval of the site, the Selectmen will then complete acquisition of the property.

After conferences with the Greater Lowell Area Planning Commission, the committee made arrangements to confer with authorities from Westford, Tyngsborough and the Town Planning Board. In the conference with the Westford Board of Health, it was indicated that the Nabnasset area would likely be one of the earliest to require sewerage. In a joint meeting with representatives of Westford, the GLAPC, and our engineers, we agreed to a modest increase in the size of the interceptor line to run up Stoney Brook.

We have agreed to keep the Westford officials informed of our progress. Ultimately, if neighboring towns participate in the Chelmsford system, it will be necessary to negotiate with those towns with respect to tie-in costs and operating fees.

In the interim, we have filed for federal and state grants for the initial phase of the program. Upon approval, we will be able to hire the engineering firm and proceed with the actual design and plans for the treatment plant.

The committee has also requested the town counsel to determine the proper process by which a permanent form of sewer authority is to be established. As soon as this is determined, the advisory committee will have discharged its responsibility and will resign in deference to the creation of an official sewer authority.

Respectfully submitted,

EDGAR P. GEORGE
Chairman

REPORT OF THE COMMUNITY CENTER STUDY COMMITTEE

Rev. Ned C. Watts, Jr., Chairman	Representative from Ministry
William S. Alcott, Secretary	Representative from Kiwanis Club
Gerald J. Lannan	Representative from Selectmen
Edward D. Flanagan	Representative from Lion's Club
Harry Ayotte	Representative from Recreation Commission
Paul F. Ahern	Representative from Elks Club
Donald J. Deleppo	Representative from Jaycees
Rev. George S. Hickey	Representative from Ministry
William J. Hennessy	Representative from Rotary Club

This committee was organized in the fall of 1967 to study the space

needs of the more than 100 organizations which exist in Chelmsford to determine if there was the need for some type of community center. The committee further determined that, if such a need existed, that it would study the ways in which that need might best be filled.

A careful and systematic study was conducted by the committee in which each of the towns' organizations was contacted relative to its needs. In addition, appeals were made to the general public for expressions of opinion and presentations were made at various civic groups. The result of these inputs was the definite determination that a civic or community center was needed in the town of Chelmsford.

At this point a much more detailed analysis of all available data was made so that it might be determined just what facilities were required. After much deliberation, and protracted discussion with such other town committees as the School Committee, Elementary School Needs and Building Committee, The Town Hall Study Committee, The Library Building Committee, and others, it was decided that the ideal answer to many of our space requirements would be the construction of a CIVIC CENTER COMPLEX which might be constructed near the center of the community. Among possible sites for such a complex, the property opposite the existing high school and near the police station on North Road has been most frequently mentioned.

Such a civic center could, on a long-term basis, become the location for a new town hall, an expanded library ((which would also be easily available to the largest number of youngsters in the nearby schools) and a community center.

Having determined the need and a general analysis of just what type structure would fill these needs, the committee is now following through on various means whereby such a program might be funded. With full realization of the tremendous burden of school construction costs which will face the town during the next five years, the committee is exploring all avenues of state and federal assistance for such a project, and is examining the potential for broadly based citizen participation.

Respectfully submitted,

NED C. WATTS, JR.

*Estimated

The annual report for 1968: a record of some of the events of special interest and importance.

The success of this school system is the record of people — not just of students and staff — but of citizens who have stood for one thing: quality schools. It is they in concert who have made this system what it is, and the process of growth and improvement continues.

Enrollment and Housing

With the kind of regularity that has characterized the school population growth each year for the past decade, the September enrollment in the Chelmsford Public Schools increased by 531. Dr. John E. Marshall in his recent study entitled "School Building Needs in Chelmsford" projected an enrollment of 14,600 in the Chelmsford School System by 1975 as compared with 2,115 in 1955, 6,048 in 1965, and 7,886 at the time of this report.

Every taxpayer also knows what expanded enrollment means in terms of the expanded facilities and staff needed to accommodate an ever-growing number of pupils. Dr. Marshall stated in his report that "Some \$20 million worth of new schools are needed by 1972, and then some \$10 million more in the decade beyond that. The alternative is chaos — overcrowding, half-day sessions, limited educational offerings, declining staff morale, and failure to meet the needs of Chelmsford children."

The members of the School Committee and the Elementary School Needs and Building Committee have had another busy year seeking solutions to the critical housing problem caused by continued and unprecedented growth in school population. Construction of two elementary schools — Harrington (26 classrooms) and Westlands (20 classrooms) — eliminated the need for double sessions in the elementary grades during the current school year. However, as the Harrington School was not ready for occupancy until November 6, it was necessary for the students assigned to that building to go on double sessions with the pupils of the Westlands School until their building was completed.

The members of the Building Committee are currently searching for several elementary school sites. As soon as the required preliminary steps have been taken, this committee will ask for a special town meeting to request funds for the purchase of land and plans for a proposed elementary school to be ready for occupancy for September of 1970. The committee is hopeful that it can keep to its time schedule which calls for the completion of at least one other elementary school and a high school by September, 1972 and kindergarten classrooms by September, 1973. The School Committee currently is evaluating all facilities which can be adapted for classroom use so as to minimize the event of double sessions for the 1969-70 school year.

The Instructional Program

Any careful observer of education would agree that the methods and subject matter of previous generations cannot do today's job. Present college admission requirements, the increasing demands of science and

technology, the skills required for economic survival, are all part of a pattern which places an increasingly heavy demand on present day students and their schools. It is the educator's job to translate these demands into educational programs; it is the School Committee's job to evaluate the various programs in terms of their merit, priority, and cost, and then to make decisions implementing those that are valuable and feasible.

Interwoven with the fabric of these programs must be opportunities for the student to develop an understanding and appreciation of the worth of individuals independent of social or ethnic consideration, and through this understanding to develop a sense of the brotherhood of man. The student should, through academic preparation and practical experience in the school community, be prepared for and appreciate his responsibilities as a future citizen, and should learn that "the price of freedom is its responsible exercise." Thus, it is inevitable that the job of education is larger, more complex, more demanding, and more expensive today than ever before.

Teachers, department heads, coordinators and administrators without being satisfied can be proud of their achievements to date. Through the combined efforts of all of these groups the entire instructional staff can remain alert to changes in education, to possibilities of improvement in the future and to the establishment of higher goals for succeeding years.

Some Observations Concerning Curriculum

CONTINUOUS PROGRESS PLAN — This year the Harrington School is entering its first year under a continuous progress plan of education. This plan seeks to create a flexible situation in which teachers can adjust their programs — in terms of quantity, rate, depth, and emphasis — in response to the range of individual pupil differences which confront them. The School Administration is arranging activities to aid teachers in implementing and parents in understanding the new program.

THE READING PROGRAM — The primary goal of the reading program is to help each student develop the ability to think in a reading situation.

All children have different needs and abilities and reading instruction is geared to care for these varying needs.

A developmental program — a continuous sequential program of instruction — utilizing a basic system is employed in grade one. This system along with a strong phonics program and a variety of supplementary materials provides a balanced program for beginning reading.

The reading foundation laid in the first grade is continually reviewed,

built upon, and expanded in the primary grades. A multi-basic approach is then employed with a wide variety of materials and methods being used to care for individual differences.

Intermediate readers are expected to read a variety of materials such as basic texts, newspapers, fiction, non-fiction, reference books, biographies and library books. A multi-basic approach with a wide variety of supplementary materials is used to allow this kind of reading to take place.

A corrective reading program is provided to care for students who are not reading to their potential and a remedial program is carried on for those pupils who display severe reading disabilities.

Special instruction for children who have major problems in addition to a reading disability is being initiated this year. A screening program for students who exhibit specific learning difficulties has been in progress since September and a program of instruction for these pupils is now in progress.

THE MATHEMATICS PROGRAM — The so-called "New Math or Modern Math" has become commonplace in curriculum throughout the country. The new mathematics has proven its value especially in the secondary schools and colleges by students entering with greater mathematical skills than ever before.

A coordinated effort has been made in the elementary schools to individualize the teaching of mathematics to students. Supplemental materials and skill building materials are being utilized in order to provide for different levels of ability.

The child emerging from the elementary program should have a thorough grounding in both arithmetic and intuitive geometry. At the secondary level there is a wide variety of mathematics courses offered. Some of these topics have become the foundations upon which applications to the sciences, engineering, and mathematics itself are built. Most of the topics covered in our secondary mathematics curriculum have become part of what every person should know in order to understand the complex world in which he lives.

THE SOCIAL STUDIES PROGRAM — The basic responsibility of the social studies program in the Chelmsford Public Schools is the development of informed citizens fully aware of the need for insuring the dignity and worth of the individual, for personal involvement in improving the society they have inherited, and for recognizing the interdependence of all peoples.

Following a year of field testing and evaluation, major changes were

made in the social studies program at the primary level, grades one through three. This new program, based on concepts drawn from the social sciences, enables children to contrast and compare families and communities of twelve cultures in different geographic settings. The study illustrates the diversity of culture yet the psychic unity of mankind. Analytical or inquiry skills are developed throughout the program. A wide variety of instructional materials are used including films, filmstrips, study prints, instructional television and some of the finest books from children's literature.

Intermediate grade children are developing an awareness of the need for law through the analysis of case study material. They are also developing an understanding of their rights and responsibilities as American citizens. Field testing of materials that complement the primary program has also begun.

At the secondary level many new materials and teaching techniques have been incorporated into the social studies program. Most of these involve the analysis of primary source materials, case studies, and public issues. Materials relating to Afro-American history have been added to supplement the basic program.

Much interest has been expressed in the Chelmsford program by educators in other communities and in other parts of the country. The program was referred to in a national magazine and was presented to educators at a meeting of the National Council for the Social Studies in Washington.

THE SCIENCE PROGRAM — Science education in Chelmsford has been and is now a vital part of the total curriculum.

Our democratic society needs an enlightened people who reason clearly, who respect others, and who understand justice. These characteristics are typical of the true scientist with his reluctance to jump to conclusions, his habit of weighing evidence, his tolerance, his open-mindedness, and his concern for human welfare. The development of the scientific way of thinking in every child is the obligation of the schools.

The elementary program allows every child the opportunities to explore, discover, and appreciate the processes of science. All of the elementary classrooms are supplied with classroom laboratories and materials that have been developed by three major national curriculum study groups.

The secondary program offers a variety of specialized science courses that allows all of the students the opportunities to gain insights into the broad spectrum of science and also have the opportunity to pursue in-depth studies in areas of specialized interest.

The total science program allows any student regardless of ability to participate in science in each of his twelve school years.

THE LANGUAGE ARTS PROGRAM — In the area of language arts text adoptions in grades 1-6; new multi-media materials in the form of transparencies, films, filmstrips, records, and kits on all grade levels; workshop-prepared composition units in the elementary and junior high schools; and a proposed multi-level spelling program for the elementary grades, have been selected and designed to implement an increasingly inductive approach to language arts instruction. These materials, together with others now under consideration, are constantly being evaluated for effective incorporation into a developmental language arts program, grades 1-12.

At all grade levels, the language arts program is being shaped to meet those crucial demands for improved communications, skills and techniques that have been imposed by an increasingly complex and technological society and world.

THE PHYSICAL EDUCATION PROGRAM — The new Massachusetts physical education curriculum guide emphasizes that each school's physical education program must ultimately meet the needs of every child. This new guide stresses that there are four special programs within the physical education curriculum. These include instructional, intramural, interscholastic, and school recreational programs. Within the physical education curriculum are five general areas — aquatic activities, rhythmic activities, gymnastics, individual and dual sports, and team sports. The current curriculum is now being evaluated to determine how well it conforms to the philosophy and objectives of this new state curriculum guide.

THE GUIDANCE PROGRAM — More is expected of our schools today than ever before in the history of formal education. The goal of education today is to provide for each student an opportunity for optimal development of all of his potentials. The guidance program in the Chelmsford School System is organized on the premise that individuals are different, develop by different paths and rates to maturity, are worthwhile in their own right, and are deserving of professional help in achieving their individual goals.

The elementary school guidance services are designed to aid each child's personal and social development from the time of his entrance into school until he moves to the secondary school. Central to the success of the guidance program in the elementary schools are the classroom teachers, the principals and the guidance counselors. Resource people in the system who are available to this guidance "team" are the school nurses, school physicians, adjustment counselors, speech and hearing therapists, and subject-matter coordinators.

The junior high school guidance services provide for an educational transition from childhood to full adolescence. Changes which youngsters undergo in these years — physically, emotionally, socially, and academically — are manifold and complex.

Success or failure in the secondary school will depend upon a child's growing capacity to manage himself, balance the forces of adolescence, and cooperate with others during this time of life when the often painful transition from dependence to independence is taking place. The guidance area provides an atmosphere in which the student can think and verbally explore his way through the task of learning and living in the turbulence of youth and under the pressures of modern life.

The senior high school guidance services concentrate on resolving transitional problems from high school to post-secondary schools and on providing direction in planning the academic and vocational programs that will lead to the successful attainment of individual students' goals.

In the spring each student is counseled in planning his program of studies for the next year. This programming is accomplished by combining pupil and parental desires with teacher recommendation, a process which in some instances, may require several conferences. Successful discharge of this responsibility demands careful planning because it is the purpose of the guidance counselors to make each student's high school experience meaningful and profitable.

The counselor spends the major part of each day in conference with his assigned students. In these conferences the student is helped to understand himself and the world in which he lives, to coordinate his academic record and his plans for the future, to discuss the subjects and programs available to him, or to discuss an adjustment of his program to his abilities.

In all considerations of the student, the parents are the most important resource people and are continually consulted by the school.

Teachers for the Future

There was a time when most school systems could require of all candidates previous teaching experience. However, times have changed and now even the best school system must compete for both the experienced and the relatively inexperienced teacher.

Student teaching has become a partial answer to the vital problems of recruiting able young people for teaching and giving them the training they need to face classroom responsibilities.

Chelmsford plays an important role in accepting and training each

year a carefully controlled number of selected young people who are in their final year of college or graduate school. The enthusiasm and varied backgrounds of these young teachers frequently provide a stimulating complement to the supervising teacher's experience and assist her in developing new curriculum materials. The student teacher's duties are limited initially to observing a class in operation and assisting teachers in classroom duties; in the final stages of training the student teacher engages in classroom teaching under close supervision.

Of General Interest

FEDERAL FUNDS — This year, as usual, Chelmsford has taken full advantage of Federal Funds — although receipts were less than anticipated. Financial assistance was received for the improvement of science, mathematics, reading, social studies, foreign language, English, business education, guidance, and libraries.

A Title III grant, awarded on a regional basis, resulted in the establishment of an educational planning center servicing 21 communities in the Merrimack Valley.

SCHOOL LUNCH — The School Lunch Program has shown considerable growth during the school year. Cafeteria receipts totaled \$231,529.00 with an additional \$84,849.00 reimbursed from state and federal funds through June, 1968.

EDUCATIONAL ADVISORY COMMITTEE — The Educational Advisory Committee has continued its outstanding work in providing in-depth study of items submitted to it by the School Committee. The ultimate object of the committee is to improve the educational facilities of Chelmsford and to assist the Chelmsford School System in providing the best education possible for Chelmsford children. Two important areas now being studied by the committee are "Chelmsford School Health Program" and "Bus Safety."

RETIREMENT — A truly distinguished service of 44 years ended with the retirement in June, 1968, of Miss C. Edith McCarthy, Assistant Principal of the Chelmsford High School. In losing Miss McCarthy, the Chelmsford School System lost a fine educator and important personality in the leadership of youth.

In recognition of her many contributions to the school system and her 44 years of loyal and productive service to the children of Chelmsford, the School Committee voted:

1. That the present high school library be known as the C. Edith McCarthy Library;

2. That the School Committee, upon completion of the new high school in 1972, be requested to rename the present high school building the C. Edith McCarthy School.

The School Committee at this time also wishes to pay tribute to two custodians who retired this year. Mr. Elmer Hoyt, North School (twelve years of service); and Mr. Elwyn McMaster, Center School (seven years of service) are to be commended for their faithful service to the Chelmsford School System.

It is the sincere wish of the School Committee and administration of the Chelmsford Public Schools that these people may find their years in retirement satisfying and rewarding.

In Conclusion

The major reasons for the high quality of education in the Chelmsford Schools are the zeal of the school staff and the constant interest of the citizens of the community. Only through the understanding, cooperation, and support of individuals, civic groups, parents, and various departments of the town, could the high educational standards of the present have been achieved and sound educational plans for the future formulated. For the continuing support which it has received from so many quarters the School Committee and administration are most grateful.

Budget Analysis

This year's proposed budget again reflects the growth of the school population as well as in improved services for the children of Chelmsford.

A summary of income and expenditures of the Chelmsford School System for the year 1968 and the budget recommended for 1969 follows:

IN MEMORIAM

The School Committee expresses its deep sorrow at the untimely death of two custodians who had earned the respect and affection of all — children, fellow workers and parents.

E. CHARLES McINTOSH

Senior High School Custodian

Employed March 4, 1966

Died September 24, 1968

JOHN MUNGOVAN

South Row School Head Custodian

Employed October 22, 1959

Died July 8, 1968

ELEMENTARY SCHOOL NEEDS AND BUILDING COMMITTEE

Philip E. Campbell, Chairman

Edward Bunker, Secretary

George R. Bixby

Wesley M. Harper

Edward S. Marshall

Roy C. Stephenson

Gerald C. Tucke

The year 1968 was unique in the modern history of the town of Chelmsford. It was the year in which two totally new facilities were completed and opened . . . the Westlands and Harrington Schools. Thus, 47 new classrooms were added to the total town educational plant. It had been thought earlier that this would be a short term end to the elementary school housing problem, but this has not been the case. As this report is being written, final planning preparations are being made for the site of a new elementary school which must be ready for the fall of next year.

This was the year that the committee changed its character with respect to tenure of members. At the 1968 town meeting it was voted to elect members for a maximum time of four years. The present members of the committee were elected to staggered terms.

The report of the Federally funded project to create a Planning Model for School Facilities under Project Director R. J. Lavin came out in September of this year. This report goes far in helping to plan the new high school which will be built to house 3,000 students, expandable to 4200. This must be completed by 1972.

September of 1968 also saw the presentation of the final report of the School Building Needs in Chelmsford as prepared by Dr. John E. Marshall. This was also part of the Federally funded Title III project.

For approximately ten years now it has been the function and responsibility of the committee to provide space for teaching and learn-

ing in the town. This has not been an easy task and as can be seen from a casual, or in depth, perusal of the report of School Building Needs prepared by Dr. Marshall it will not be easy in the future. Growth seems to be a constant factor in the school population. It is clear from this that the burden on the taxpayer will continue in two ways. First, there will be new capital expenditures for new construction. Second, the school operating budget will continue to increase because of the need for additional personnel to staff and maintain the buildings.

The rate at which new homes are being constructed does not seem to show any appreciable decrease from previous years and this seems to indicate that the town has not yet started to level off as far as eventual capacity is concerned. Because of the lack of firm figures, provided by a census, we do not have precise population figures. However, it is the considered opinion of this committee that the population of the town has passed the 28,000 mark and no one seems able to estimate the probable peak. The annual growth figure seems to be about 1,000 additional each year.

The committee wishes to thank the Board of Selectmen and other town officials for their helpful cooperation. We also wish to thank other interested townspeople who have offered assistance.

Respectfully submitted,

PHILIP E. CAMPBELL
Chairman

NASHOBA VALLEY TECHNICAL HIGH SCHOOL DISTRICT COMMITTEE

ANNUAL REPORT — 1968

The year 1968 was a very active year for the Nashoba Valley Technical High School District Committee, with the focal point being the actual construction of the school plant.

The Nashoba Valley Technical High School project was not spared the changes, delays and frustrations that other regional technical school projects had to go through.

WEATHER PROBLEMS

The weather was a prime problem with a winter of heavy snows and subnormal temperatures and an exceptionally wet spring.

WATER DIFFICULTIES

Lack of water at the site presented another serious problem that was resolved by the purchase of a state surplus tanker trailer that supplied water for the entire construction phase. The water main was completed and water was on the site in the fall.

OTHER DELAYS

Other contributing factors to necessary changes and delays, which brought about an extension of contract time, were resolved by the Committee and planning and construction progress were maintained. The end result, however, indicated a September 1969 opening as opposed to a hoped-for January 1969 opening.

PROGRAM OFFERINGS

September 1969 will see students accepted for the 9th and 10th grades, and the 13th grade for the post high school programs.

The following programs will be offered for the 9th and 10th grade students: Automotive, Carpentry and Millwork, Drafting, Electrical, Electronics, Machine Shop, Metal Fabrication and Graphic Arts.

The 13th grade will offer: Data Processing, Dental Assistant and Medical Assistant.

ADDITIONAL PROGRAMS

In an effort to accommodate more students in the existing facility, Mr. Lafionatis, Superintendent-Director, has endeavored to institute additional programs. Some of these programs are desirable because they will provide training opportunities for girls.

Mr. Lafionatis has received approval for the following additional programs at the high school level:

Commercial Art and Industrial Design

Kindergarten and Nursery Aide Program

Post high school level:

Medical Records Technician

ADDITIONAL EDUCATIONAL STAFF

The opening of NVTHS in September 1969 demands that considerable preparation be made to insure that the students and the new teachers will be ready to start on the first day of school. To provide for an orderly and effective opening day, the following personnel are assisting the Superintendent:

Mr. Paul J. Royte, Guidance Director, has been developing screening and testing procedures and programs. He has also been establishing communications with the school Guidance Departments of the four member towns. He is also active as a resource person and an available speaker to parent, student and citizen groups.

Mrs. Charlotte Scott, Health Occupations Coordinator, has been involved in establishing contacts with hospitals, nursing homes, doctors, dentists and nurses in the District and periphery, as well as the State bureaus, agencies and organizations. She has also been involved in preparing material and reviewing texts and courses for the health programs that will be offered at the school.

Mr. Frederick P. Rogers, Academic Program Coordinator, has been involved in developing curriculum in the academic area. He has also been researching course materials, texts and new teaching methods.

SURPLUS EQUIPMENT

Mr. Nystrom has continued with his duties as Equipment Coordinator and has been directly involved in a Federal, state and industrial surplus equipment program. He has worked very closely with the Equipment and Facilities Sub-Committee, and the result of their efforts has netted the District a substantial saving.

STATEMENT OF OBJECTIVE

The District Committee approved the following statement;

The basic objective of the Nashoba Valley Technical High School is to provide, for residents of this district, an educational center where they will receive occupational training, academic education, and cultural enrichment; that will assist them in developing their personal philosophies; and that will contribute to their becoming more productive members of society.

ADMISSION POLICY

The following preliminary admission policy was approved with tentative enrollment quotas for each town. Every effort will be made to maintain flexibility so that every town's interest will be equitably served.

The selection of pupils for admission will be based on the following:

1. Age and Grade: An applicant must be at least 14 years old and/or have successfully completed the eighth grade.
2. School Record: An applicant's school must provide a complete transcript of his standardized test scores, school marks, conduct, and attendance record for grades 7 and 8 (9, if applicable).
3. Standardized Test: An aptitude test is required of all applicants.
4. Recommendations: A realistic and frank appraisal of the student must be submitted by the applicant's counselor and/or school principal. Industrial Arts Teachers may also be included.
5. Personal Interview: Each applicant will be interviewed by the Guidance Director so that an appraisal of motivations and interests may be determined.
6. Program Availability and Acceptance: The applicant's credentials will be evaluated by an admissions committee so as to determine - (1) Purposeful desire to attend, (2) Demonstrated responsibility and maturity, (3) Apparent capacity to succeed in his vocational choice and (4) Availability of his program of choice.

EDUCATIONAL FIRSTS

"Nashoba Tech" is becoming involved with some "firsts" in education. The key "push-words" from the Federal and State Offices of Education are innovation and pilot programs, and the Superintendent and staff of Nashoba Tech have responded.

The first such program (in the nation) involves the reproduction of a Pilgrim house for the Plimouth Plantation. This also is the first time that a public school has become involved in a joint project with an educational museum.

Another first (in the state) is the Medical Records Program, which brings with it state funds.

In addition, other programs are currently being investigated.

FIRST ELECTED SCHOOL COMMITTEE

1968 was the year designated for the first election year of the District School Committee. The first elected members are as follows:

Chelmsford	Mr. Stratos G. Dukakis Mr. Thomas F. Markham, Jr. Mr. G. Paul Normandin Mr. George J. Odell
Groton	Mr. Kendall K. Bennett Mr. Roland M. Hamilton
Littleton	Mr. Harvey W. Atkins Mr. Augustine Kish
Westford	Mr. Percy O. Daley, Jr. Mr. Richard Hall

At the first meeting the Committee elected the following officers:

Chairman:	Kendall K. Bennett
Vic-Chairman:	Harvey W. Atkins
Secretary:	Roland M. Hamilton
Treasurer:	George J. Odell

In September, the Committee accepted, with regrets, the news that Chairman Bennett, one of the original members of the Planning Committee, was being transferred to Nebraska and would have to leave the Committee. Vice Chairman, Harvey W. Atkins was elected Chairman to replace Mr. Bennett, and Mr. Augustine L. Kish was elected Vice Chairman to replace Mr. Atkins. Mr. Norman Johnson is filling the vacancy for Groton.

The Nashoba Valley Technical High School District Committee expresses its sincere gratitude to the citizens of the District, our State legislators and our congressmen for their wonderful support and assistance during this very important phase of the District's growth.

The District Committee would like to extend an invitation to all the citizens to visit the new Technical High School when it is completed.

HARVEY W. ATKINS, Littleton, Chairman
AUGUSTINE L. KISH, Littleton, Vice Chrnm.
ROLAND M. HAMILTON, Groton, Secretary
GEORGE J. ODELL, Chelmsford, Treasurer
STRATOS G. DUKAKIS, Chelmsford
THOMAS F. MARKHAM, JR., Chelmsford
G. PAUL NORMANDIN, Chelmsford
NORMAN A. JOHNSON, Groton
PERCY O. DALEY, JR., Westford
RICHARD W. HALL, Westford

PUBLIC LIBRARIES

Adams Library, Boston Road, Chelmsford Center

Anna C. MacKay Memorial Library, Newfield Street, No. Chelmsford

Miss Marjorie B. Scoboria

Chairman of Library Trustees

The 1968 circulation increase over 1967 was:

MacKay	over 4,000
Adams	" 12,000

We now have over 15,000 active borrowers at the Adams Library. One hundred seventy-two of these are from out of town. These figures do not include the many who never take out cards but find the libraries very useful for reference work and reading room privileges.

At this time we wish to acknowledge our indebtedness to the following:

Mrs. Paul Royte for her generosity in sharing her talents for the young children's story hours.

The Chelmsford Garden Club for monthly floral arrangements and special Christmas decorations.

Mr. Herb Laurenson, local author, for the gift of an autographed copy of his latest book, "Bell Bottom Trousers."

Many other citizens for gifts of books, periodicals and records.

Several have expressed pleasure with financial helps in the adult reading room at the main library. To the list including the Wall Street Journal, Value Line and Moody Service, Dun and Bradstreet has been added.

Open house was held last January to introduce the new FINE ARTS AND MUSIC department. This room was formerly occupied by the Chelmsford Historical Society. This new venture, while starting out rather slowly, seems to be gaining momentum. We now have a collection of 1289 records to which we are constantly adding. This room also houses the music and fine arts books and periodicals. There are three listening booths with fine stereo machines. The art exhibits of local artists have commended much favorable attention.

As always, the library staff members avail themselves of opportunities to improve their skills whenever appropriate seminars and courses are offered in this locality.

Respectfully submitted,

EDITH M. PICKLES

REPORT OF THE LIBRARY BUILDING NEEDS COMMITTEE

Dr. Howard K. Moore, Chairman

Mr. John L. Berube

Miss Marjorie B. Scoboria

Mr. Thomas C. Thorstensen

Mr. Roger P. Welch

At regular meetings of the Library Needs Committee studies were made of the available population statistics, the Schaeffer Report (a study of the adequacies of the Chelmsford libraries with recommendations for a future building program), the Adams and MacKay library plants, statistics on library building and other information from the Division of Library Extension of the Massachusetts Department of Education. The Library Needs Committee concluded that further expansion of the present library buildings would be valueless since there would be no space for an expansion of parking facilities. With this in mind, it was necessary to secure a site for a new library. An agreement was reached with the School Building Needs Committee whereby the library committee can obtain four acres of land from the School Building Needs Committee (at no expense to the townspeople). This land is in the geographical and population center of Chelmsford near the present High School.

An application was filed for State funds in October, but the Committee was informed that funds available amounted to only a small fraction of the total amount applied for, and grants have been made to two Regional Libraries.

The next step will be to secure the help of a Library Consultant, to ask Town Meeting to extend its existence for another year, and to provide funds for preliminary architectural plans.

Respectfully submitted,

HOWARD K. MOORE
Chairman

COMMITTEE TO UPDATE THE CHELMSFORD TOWN HISTORY

Roland E. Morin, Chairman

Jo Ann B. Minnick, Secretary

Frederick Burne

Charles E. Watt, Sr.

Julia P. Fogg

To the Honorable Board of Selectmen:

The Committee has in its possession a manuscript which it had commissioned a student of history to prepare. It has studied this manuscript and the result was that the Committee has mixed feelings about its value.

It was decided to offer the manuscript for study to several interested persons who have been life-long residents of Chelmsford and whose opinions the Committee would respect. The consensus of the reports of these respected readers was that the manuscript was not satisfactory.

Our Committee is now negotiating with a life-long Chelmsford resident, knowledgeable in town affairs and endowed with considerable talent, to prepare a new manuscript using the research material already gathered and pursuing further research if necessary.

This has been a slow process, but the Committee wants to be able to publish a book that Chelmsford citizens will be proud to own.

Respectfully submitted,

ROLAND E. MORIN, Chairman

Public Works

HIGHWAY DEPARTMENT

Frederick R. Greenwood,

Superintendent of Streets

To the Honorable Board of Selectmen

The following is a report of the Highway Department for the year 1968.

Year	No. of Highway Employees
1945	10
1955	21
1965	27
1968	30

The above figures do not include waste collection employees. The following is a breakdown for waste collection.

Year	No. of Regular Waste Collection Employees	Labor Expended
1954	3	\$ 8,104.30
1960	10	32,556.77
1968	13	88,224.37

Twenty-nine new streets or 5.86 miles of roads were accepted in 1968. Drainage and construction projects included the following:

Robin Hill Road	— 576 feet 12" R.C. pipe, 154 feet 12" metal pipe, five catch basins installed.
Dunstable Road	— 228 feet 12" R.C. pipe, two catch basins installed.
Cross Street	— 100 feet 12" R.C. pipe, two catch basins installed.
Graniteville Rd.	— 168 feet 12" R.C. pipe, three catch basins installed.
Frank Street	— 168 feet 12" R.C. pipe, one catch basin and one manhole installed.
North Road	— 100 feet 12" R.C. pipe, one catch basin installed.

Pine Hill Road	— 108 feet 15" Con. pipe, two catch basins installed.
Meadowbrook Rd.	— 76 feet 12" R.C. pipe, one catch basin installed.
Park Road	— 104 feet 12" R.C. pipe, two catch basins installed.
Brian Road	— 272 feet 12" R.C. pipe, one catch basin installed.
Orchard Lane	— 40 feet 12" R.C. pipe, one catch basin installed.
Purcell Drive	— 28 feet 12" pipe replaced.
Gay Street	— 32 feet 12" R.C. pipe, one catch basin installed.
Marion Street	— one catch basin installed, one leaching bed, built, four feet 12" R.C. pipe.
Delmore Drive	— A 14'x24' leaching bed was installed. Two catch basins, 12 feet 12" R.C. pipe, 40 feet 4" perforated pipe installed.

Bituminous Concrete sidewalks were constructed on Dalton Road, a distance of approximately 1800' and on Adams Avenue at the Adams Library, a distance of 218'.

The Chapter 90 Maintenance project consisted of hot topping approximately 2200' on Riverneck Road.

The Chapter 90 Construction project consisted of the reconstruction of Main Street, from the Westford Town Line, Station 0+00 to Station 18+50, a distance of 1850 feet. The construction consisted of full excavation, placing of gravel borrow, installation of 1264' of 12" R.C. pipe, 400 feet of 18" R.C. pipe, 10 catch basins and eight manholes. The gravel was primed with asphalt and a bituminous concrete binder course placed over the treated gravel base. In the Spring, a bituminous concrete top course will be placed over the binder and all driveways and shoulders will be graded and loamed.

The Town initiated a program to alleviate the traffic condition in the Central Square area. Adams Avenue and a section of Bartlett Street was reconstructed and a new bituminous concrete surface placed over the roadway. Drainage consisted of the installation of 480 feet 12" R.C. pipe and two catch basins, two manholes and one rebuilt catch basin on

Adams Avenue; and 44 feet of 15" pipe, 32 feet R.C. 12" pipe and one catch basin on Bartlett Street. Three new traffic islands were constructed which will be utilized to channel traffic to its proper lane when the rotary system is put into effect.

Two-way radios were installed in the two highway pickups with the base station being located at the Highway Garage.

New equipment purchased for the department in 1968 include the following: one sand screen plant, two complete waste collection trucks, one dump truck, four truck chassis, three sand spreaders and one front-end loader.

The usual oiling of streets including mix-in-places, brush cutting, installing and making street signs, painting of traffic lines, cleaning catch basins, sweeping streets, sanding, snow plowing and snow removal, drainage and general maintenance was performed throughout the year.

I wish to thank the townspeople for their kind consideration and co-operation and the Police Department for notifying the department of dangerous conditions on the roads during the winter months.

Respectfully submitted,

FREDERICK R. GREENWOOD
Superintendent of Streets

Planning and Development

PLANNING BOARD

Bradford O. Emerson, Chairman

Thomas A. St. Germain

Thomas E. Firth, Jr.

David P. Dutton

Daniel F. Horgan

Thomas A. Ennis

Eugene E. Gilet

The Board organized for the year with Bradford O. Emerson as Chairman; Thomas A. Ennis as Clerk; Thomas A. St. Germain, Delegate to the Greater Lowell Area Planning Commission, and James J. Geis, Alternate Delegate. Former member Robert A. McKittrick continued as the Board's Delegate to the Sewer Advisory Commission, and Nancy D. Maynard, recording clerk.

The year saw no relief or slow down in sub-division and building activity. Ninety-six (96) lots on existing streets were submitted for approval, and twelve (12) new sub-divisions comprising two hundred and twenty-six (226) lots, or a grand total of three hundred and twenty-two (322) new building lots, as well as the accompanying new streets.

The town's sub-division rules and regulations were reviewed and revised, where experience in recent years had proven such changes necessary or desirable.

Once again the Board has studied the advisability of a provision in the zoning laws to permit "Cluster" development in certain unusual circumstances. An article for this amendment has been submitted in the 1969 Town Meeting Warrant.

Our Delegate to the Greater Lowell Area Planning Commission has played an active role in this body, which has shown great determination to unite the Greater Lowell communities in those areas where a regional approach to certain problems could be desirable.

Respectfully submitted,

BRADFORD O. EMERSON, Chairman

BOARD OF APPEALS

Arthur D. Pratt, Chairman

Stanley J. Polak

Edward F. Murphy

Mrs. Velma Munroe

Paul W. O'Neil

Alternate Members

James O. Robinson

John B. Hickey

During the year the Board of Appeals conducted public hearings on petitions for 57 variances and/or special permits.

Disposition of the 57 petitions was as follows:

Variances and special permits granted	39
Variances and special permits denied	13
Petitions withdrawn	5
TOTAL	57

The Board wishes to take this opportunity to thank all Town Officials and townspeople for their cooperation during the year.

Respectfully submitted,

ARTHUR D. PRATT
Chairman

INDUSTRIAL DEVELOPMENT

1968 REPORT

Alan D. Davidson

Paul A. Desmond

Forrest E. Dupee

James R. Keskula

Kenneth E. Koch

John R. Munro

Albert E. Walker

In the past year, the commission welcomed the appointment of Paul A. Desmond and John R. Munro and accepted, with regret, the resignation of Chairman Raymond A. Carye and Richard K. Grier. Forrest E. Dupee was elected Chairman.

The town has experienced some new industrial growth; namely in the area along Route 129 and Turnpike Road.

The commission and town are fortunate to have the new Industrial Park, which will be located in the north section of town.

There should be many new prospects of industry locating in this site due to the new Sewer System Plant soon to be started in this section.

We are attempting to secure the services of a part-time consultant, and we are also planning to have a new survey made of industrial land sites and have plot plans of same prepared, so that a complete and up-to-date file of industrial land will be available for inquiries from interested prospects.

At the time of this report we are assisting a local industry in securing a new location with a larger area in our town.

Respectfully submitted,

FORREST E. DUPEE
Chairman

HOME RULE ADVISORY COMMITTEE

Board of Selectmen

Chelmsford, Massachusetts

Gentlemen:

The following is the Annual Report of the Home Rule Advisory Committee.

The membership at the end of the year was as follows:

Timothy F. O'Connor	Chairman
John J. Griffin	Vice-Chairman
Vincent R. LoCicero	Secretary
S. Robert Monaco	Treasurer
Michael J. Devine	

The resignations of George J. Odell, Robert Eppes, and George R. Bixby, Jr. and Ruth E. Pelletier were received. We wish to acknowledge the assistance given by Mrs. Pelletier as she acted as Recorder for the Committee for many months.

The Home Rule Advisory Committee held seven meetings during the year and the topics of discussion were limited to the following:

- Issuance of Auctioneers' Licenses (House Bill #4373)
- Delay of five years for the opening of Kindergartens
- The Willis Report
- Housing for the Aged
- Fluoridation of Town Water Supplies.

During the year letters were sent to various state and town organizations to maintain an active communication with other Home Rule organizations.

Regular monthly meetings for the year 1969 have been scheduled to study possible problems and future state and local relations.

Respectfully submitted,

TIMOTHY F. O'CONNOR
Chairman

Cemeteries

CEMETERY COMMISSION

Arthur J. Colmer, Chairman

Frank H. Hardy

Arne R. Olson

Archie R. Jordan, Superintendent

To the Honorable Board of Selectmen

Chelmsford, Massachusetts

Gentlemen:

The following report is submitted by the Cemetery Commissioners for the year 1968.

The past year was a year of accomplishments due to all the projects undertaken. In the ForeFathers' Cemetery much work was accomplished in cleaning out poison ivy, cutting down trees, straightening old historical monuments. Much more needs to be done and we are hoping that 1969 will see some of this accomplished.

In the West Chelmsford Cemetery, the fences were repaired and painted, the roads were hot-topped and the summer house repaired. The Cemetery Commissioners are concerned with all the vandalism that is occurring in the West Cemetery, and hope with the aid of the police department that we can put an end to all this destruction.

In the Fairview Cemetery a large area was graded around the back area of the cemetery, improving the appearance of the whole cemetery.

In the Riverside Cemetery, the fence was repaired and painted. The old tool house demolished, and the back area of the cemetery was cleared of much stone and areas regraded.

In the Hart Pond Cemetery many lots were regraded improving the whole cemetery. The old tool house was removed.

Pine Ridge Cemetery was again the busiest of all our cemeteries. A large area at entrance of cemetery was filled in and graded. We are hoping to loam and seed this area in 1969. Much cutting of brush and developing of new areas was accomplished. The drainage system was

also installed. The fences in Pine Ridge Cemetery were scraped and painted and much grading was started along edges of Riverneck and Billerica Roads.

Another long addition to the wrought iron fence along Billerica Road was installed. This again being a gift of Mr. George Barris totaling \$3,000.00. Mr. Barris has for years been very interested in the Pine Ridge Cemetery beautification and now deceased, has left a sum of \$10,000 in his will for the continuation of beautifying Pine Ridge Cemetery.

The new tractor-backhoe was purchased last spring and already has has done a tremendous amount of work.

During the year we had a total of eighty-six burials as follows:

Pine Ridge	58 or 67.4%
Fairview	11 or 12.8%
West	7 or 8.2%
Hart Pond	5 or 5.8%
Riverside	3 or 3.5%
ForeFathers	2 or 2.3%

86

In 1968 we sold 30 lots as follows:

Pine Ridge	23 or 76.7%
Fairview	5 or 16.7%
West	1 or 3.3%
Hart Pond	1 or 3.3%

30

We have again transferred \$4,000.00 from our Perpetual Care Interest account to the Town General Fund.

Our total income last year from all sources amounted to a total of \$18,150.32.

We wish at this time to thank the Highway, Police, Fire and Water Departments for all their cooperation during the year.

Respectfully submitted,

ARTHUR J. COLMER
Chairman

Natural Resources and Recreation

CONSERVATION COMMISSION

Edmund Polubinski, Chairman

Mrs. Margaret E. Mills

Franklin J. Campbell

Mrs. Esther V. Blechman

Edwin H. Warren

Mrs. Kathleen L. Ehlers

Myles J. Hogan

With the thought that conservation is the use of natural resources for the greatest good, of the greatest number, for the longest time, we were indeed fortunate in obtaining a beautiful and extremely valuable tract of land by vote of the townspeople at the last Annual Town Meeting. It was purchased with the assistance of the State "Self Help" program by which the Town was reimbursed in the amount of twenty thousand dollars.

Mr. and Mrs. Lester Ball, former owners of the above land, have established a sizeable trust fund from which the Conservation Commission will receive monies to beautify the area. We are most fortunate and deeply grateful to be recipients of such a generous and noteworthy gift.

We are thankful for the generosity of Mr. William J. Hennessey for making an appraisal of the Ball land at no expense to the Town.

Appreciation and thanks are also extended to the Junior Chamber of Commerce for their donation of picnic tables that are now located at the Crooked Spring and Lime Quarry Reservations.

Regular meetings were held monthly with many special meetings called due to the many items of urgent business on hand. Several members attended regional and State meetings where leading conservation experts shared their wealth of knowledge and experiences.

We express our gratitude and appreciation to the town officials and to the many citizens for their help, interest, and co-operation.

Respectfully submitted,

EDMUND POLUBINSKI
Chairman

RECREATION COMMISSION

Haworth C. Neild, Chairman

William A. Dempster, Jr., Secretary

Harry J. Ayotte

James F. Gannon

Paul W. Murphy

Donald J. Cleary

Harold R. Thomas

Richard Moschen

Arthur P. Paresky

To the Honorable Board of Selectmen

The year 1968 saw our Recreation Programs expand in participation to over 1,600 boys and girls between the ages of seven and twenty-one. This was an increase of over two hundred from last year and all indications now show an anticipated total of over two thousand for 1969, with the greatest increases being in baseball, hockey and girls' figure skating.

Our summer programs of playgrounds, swimming and tennis under the direction of our part-time director Mr. Edward J. Quinn enjoyed the most successful season since the summer program was started. Included under this summer program is the school for exceptional children which is conducted at the Stedman Street School. Plans are now being studied for the expansion and diversifying of these programs, with the goal of reaching more children utmost in our planning.

Regular meetings were held every other Monday with many special meetings held when needed in connection with our existing programs and planning for the future.

We express our gratitude and appreciation to all town officials and the many interested citizens who make our programs possible. With the exception of our summer playground, swimming and tennis programs, all our activities are staffed by interested citizens on a volunteer basis.

Respectfully submitted,

HAWORTH C. NEILD
Chairman

TOWN FOREST COMMITTEE

Martin K. Bovey, Chairman

Robert T. Clough

Bruce S. Gullion

To the Honorable Board of Selectmen

With Donald Gray working as Town Forest Superintendent during a large part of the winter, we got a lot of work done that we had long hoped to do, but had been unable to accomplish with infrequent and irregular high school labor.

Mr. Gray thinned out more of the large pines in the Thanksgiving Ground Forest west of the playground at the end of Janet Road and removed many of the dead trees. More important still, he pretty well completed the job of thinning the large areas of very dense young pines in the parts of the forest that are close to Clarissa and Gary Roads. This has not only greatly improved the appearance of these sections of the forest but has eliminated the danger of a bad fire that might have threatened houses on the two roads.

In the Mill Road Forest a good bit of work was done along two old woods roads that run into the forest from Noble Drive. This work, which was done by boys, has made walking these roads a more pleasant experience. By removing downed timber and dead or deformed trees, we have decreased the fire hazard, which was never too serious as the woods are largely of deciduous trees with no dense stands of pine.

Thanks to the generous efforts of John Smith, who lives next to the Mill Road Forest playground, the baseball diamond now has a backdrop that keeps balls out of Noble Drive and off neighboring property.

Respectfully submitted,

MARTIN K. BOVEY
Chairman

PARK COMMISSIONERS

Arthur L. Bennett, Chairman

Ralph E. House

David P. Ramsay

To the Honorable Board of Selectmen

At the organization meeting of the Park Commissioners Arthur L. Bennett was elected Chairman by members David P. Ramsay and Ralph E. House. Donald P. Gray was re-appointed Superintendent,

During the year a number of maple trees have been removed. In South Chelmsford Village five (5) cherry trees were planted to replace the maples that were removed. The trees were made available through the cooperation of Myles Hogan and the Massachusetts Electric Company.

The small park in West Chelmsford has been altered and the flag pole changed due to the re-location of Main Street.

Considerable work had to be done on the parks around Adams Library as a result of the construction of the Butler rotary plan. During the construction a water service was installed. A water service has been installed at the John B. Gallagher Square at the intersection of Billerica Road and Turnpike Road.

The flag poles on a number of the smaller parks were completely rebuilt, also the cannon in the Westlands was repainted.

The wall in the Center Common opposite the Town Hall has been partially repointed after many years as it has been hidden for years and had deteriorated badly. Smaller shrubs have been planted in this area so as not to hide this wall which was built many years ago and adds a bit of beauty to the Common.

Flags in the Center and North Sections are raised daily through the co-operation of the Police and Fire Departments. Verne Woodward raises the flag in West and Capt. William Thayer takes care of the one at North Road and Worthen Street.

The Commissioners would like to acknowledge the excellent work and co-operation of the Garden Clubs. We would also like to thank the Highway, Fire, Police, Cemetery and Water Departments for their assistance and interest in the Park Department.

Respectfully submitted,

ARTHUR L. BENNETT
Chairman

TREE DEPARTMENT

Myles F. Hogan, Tree Warden

As a result of necessary road salting, many of our established maples had to be removed. The hardest of the species were trimmed back in hopes of coping with this problem.

In addition to the fifty trees planted this year, approximately seventy-five are planned for the spring. These trees will be used to replace many of our recently removed maples.

I wish to extend my thanks to the various departments for their usual cooperation with this department in regard to emergency night work.

Also, to residents reporting dangerous conditions near their homes.

Respectfully submitted,

MYLES F. HOGAN

Tree Warden

MOTH DEPARTMENT

Insecticide spraying consisting of Flowable Sevin, was carried out through the entire town. Despite the disadvantage of heavy rains this spring, spraying proved most successful.

Tent Caterpillars that develop and defoliate low growing trees were quite evident this past spring.

The application of liquid fertilizer combined with the insecticide, was used on trees, which showed the need of additional vigor.

Respectfully submitted,

MYLES F. HOGAN

Moth Superintendent

DUTCH ELM

Over 200 American elms of various sizes have been removed.

With all the attention and research over the past ten years that has been given this disease, nothing of any practical value can be done to save our remaining elms.

The approved methods of detection, removing and burning are being carried out as prescribed by the Department of Natural Resources.

Respectfully submitted,

MYLES F. HOGAN

Tree Warden

POISON IVY CONTROL

The control of Poison Ivy continues to be of growing concern, especially to residents in newly established rural areas.

This year the spraying was applied to schools and public areas, or where heavily requested.

Due to inadequate funds, residents are asked to bear in mind that the service is limited to public ways.

Respectfully submitted,

MYLES F. HOGAN
Moth Superintendent

TOWN CELEBRATIONS COMMITTEE

Nelson Hebert, Chairman

Robert Murray, Vice-Chairman

Mary Westcott, Secretary

Edward McCaffrey

George Parkhurst

The newly-formed Town Celebrations Committee held ten meetings from the date of its appointment in June 1968 through February 1969. Due to the late date of appointment, this committee was of little assistance during the 1968 Fourth of July Celebration. However, the committee wishes to commend the magnificent effort of the 1968 Fourth of July Celebration Committee for their splendid execution of a day which will be recorded in Chelmsford history.

The first few meetings were spent defining the scope and responsibility of such a committee. We met with many town officials from surrounding communities, as well as Chelmsford, so that we could be of greater assistance to any organization planning celebrations or parades.

Furthermore, upon our recommendation, the Selectmen approved the appointment to the Memorial Day Committee of two members from every Veterans' organization in town. This took place before November 1, 1968 in order to give the committee sufficient time for planning.

It is our hope that other organizations will avail themselves of the services of this committee.

Respectfully submitted,

NELSON HEBERT, Chairman
MARY WESTCOTT, Secretary

THE BUILDING INSPECTOR

David P. Dutton

The following is a report of the Building Inspection Department for the year 1968:

There were 479 permits issued.

The types of permits issued as listed below:

No. of Permits	Type Issued	Estimated Value
240	Dwellings Valued at	\$ 3,933,750.00
72	Additions and Remodeling and Repairs to Dwellings Valued at	203,864.00
2	Office Buildings Valued at	103,000.00
12	Additions and Remodeling of Office Buildings Valued at	248,900.00
6	Signs Valued at	6,050.00
4	Siding Permits Valued at	5,250.00
13	Utility Sheds and Greenhouse Valued at	4,080.00
1	Club House for Elks Valued at	100,000.00
30	Porches, Sundecks, Enclosures and Porticos Valued at	23,900.00
55	Swimming Pools Valued at	127,330.00
1	Two-family Dwelling Valued at	18,000.00
29	Garages, Breezeways, Carports and Remodeling of same Valued at	48,025.00
1	Pump House Valued at	2,600.00
1	Moving of a Building Valued at	8,000.00
2	Apartment Houses Valued at	550,000.00
2	House and Barn Repairs due to Fire Damage Valued at	3,500.00

5 Light Manufacturing Buildings and Additions to same Valued at	162,000.00
1 Poultry House Valued at	3,000.00
1 Church Valued at	120,000.00
1 Demolition of House and Barn	None
<hr/> 479	<hr/> \$ 5,671,249.00
<hr/>	<hr/>
Number of Zoning Violations Investigated	71
Number of Business Establishments and Nursery Schools Inspected	12
Number of Swimming Pools Inspected	16
Number of Unsafe Structures Removed	2
Amount Received by the Town for Building Permit Fees \$	8,200.00
Amount of Salary Appropriation	1,500.00
Amount of Fees Paid to Inspector for Inspections	5,676.00
Amount Disbursed from Office Expense Appropriation	338.85

Respectfully submitted,

DAVID P. DUTTON
Building Inspector

ANNUAL BUSINESS MEETING**March 11, 1968**

Moderator Daniel J. Coughlin, Jr. called the meeting to order at 7:43 P.M. recognizing the presence of a quorum. Mr. Gerald J. Lannan moved the Constable's return on the warrant be waived. It was so voted.

Mr. Gerald J. Lannan moved nomination of Henry Tucker for Varney Playground Commissioner. It was so voted.

ARTICLE 1. To hear reports of Town Officers and Commttees; or act in relation thereto.

Moderator Daniel J. Coughlin, Jr. then asked for nominations for the School Needs Committee. Mr. Edward A. Bunker's name was placed in nomination by Mr. Philip E. Campbell. At this point Mr. George J. Odell moved nominations be tabled until after action was taken under Article 35. He further moved that Article No. 35 be considered out of order. It was so voted.

ARTICLE 35. To see if the Town will amend Article 22 of Town Meeting of 21 March 1960 to establish terms of office for the four (4) non-school committee members. The March, 1968, Town Meeting to appoint members of the School Needs Committee to terms as follows:

1968	Position Open For	
Appointment For	Four Year Term In	Ending In
One Year	March 1969	March 1973
Two Years	March 1970	March 1974
Three Years	March 1971	March 1975
Four Years	March 1972	March 1976

With this system to continue and begin a new cycle, or take any action relative thereto.

UNDER ARTICLE 35.

Mr. George Odell moved that the Town vote to amend Article 22 of the Town Meeting of 21 March 1960 to establish terms of office for the four (4) non-school committee members. The March 1968 Town Meeting to appoint members of the school needs committee to terms as follows:

1968	Position Open For	
Appointment For	Four Year Term In	Ending In
One Year	March 1969	March 1973
Two Years	March 1970	March 1974
Three Years	March 1971	March 1975
Four Years	March 1972	March 1976

It was so voted. The following names were placed in nomination:

One Year — Edward A. Bunker, Michael J. Devine, Stanley J. Fajowski

Two Years — Wesley M. Harper

Three Years — Roy C. Stephenson

Four Years — Philip E. Campbell, John E. Witts

Mr. Gerald J. Lannan moved that Roy C. Stephenson and Wesley M. Harper be elected for three and two year terms respectively. It was so voted. The following were elected by ballot as follows:

One Year Term — Edward A. Bunker	364
Michael J. Devine	159
Stanley J. Fajowski	84
Four Year Term — Philip E. Campbell	447
John E. Witts	234

ARTICLE 2. To see if the Town will vote to amend Section 24, subtitled "Job Titles and Standard Rates for Wages and Salaries of the Personnel, Wage and Salary By-Law" to read as follows:

Recommended 1968

* Part Time

UNDER ARTICLE 2. Mr. S. Anthony DiCiero moved that the Town vote to amend Section 24, subtitled "Job Titles and Standard Rates for Wages and Salaries of the Personnel, Wage and Salary By-Law" to read as follows:

Recommended 1968**A. ADMINISTRATIVE and CLERICAL:**

1. Veteran's Agent	\$ 2,060.00 p.a.
2. Clerk, Senior	4,477.00 p.a.
3. Clerk	3,918.00 p.a.
4. Clerk, Junior	3,358.00 p.a.
5. Town Accountant	7,612.00 p.a.
*6. Town Counsel	500.00 p.a.
7. Selectmen's Clerk	129.00 wk.
*8. Personnel Board Recording Clerk	2.06 hr.
*9. Board of Registrar's Clerk	250.00 p.a.
*10. Clerk	2.06 hr.
*11. Planning Board Clerk	2.06 hr.
*12. Board of Registrar's (3 members)	275.00 ea. p.a.

On motion of Mr. William J. Hennessey, Item No. 2 was amended to read \$4,677.00. This amendment was defeated; therefore Section A was accepted as presented.

B. CONSERVATION and CEMETERY:

1. Cemetery Superintendent	\$ 7,724.00 p.a.
----------------------------	------------------

2. Cemetery Foreman	2.65 hr.
*3. Moth Superintendent	450.00 p.a.
*4. Laborer, Park	2.43 hr.
*5. Laborer, Skilled Tree Climber	2.79 hr.
*6. Unskilled Laborer	1.50 hr.
7. Park Superintendent	5,107.00 (8½ mos.)
8. Town Forest Superintendent	2,103.00 (3½ mos.)

SECTION B was so voted.

C. CUSTODIAL:

1. Custodian (Center Hall)	\$ 2.28 hr.
2. Custodian (Library)	2.28 hr.
*3. Custodian (Police Department)	2.28 hr.
*4. Custodian (Fire Department)	160.00 p.a.

SECTION C was so voted.

Mr. Howard E. Humphrey moved the meeting be adjourned at 11:15 P.M., next meeting to be held Monday, March 18, 1968 at 7:30 P.M.

TOTAL BUDGET TO BE RAISED

AND APPROPRIATED \$6,864,477.00

ADJOURNED TOWN MEETING

March 18, 1968

Moderator Daniel J. Coughlin, Jr. called the meeting to order at 7:40 P.M., recognizing the presence of a quorum. The meeting began with Article 4.

ARTICLE 4. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust claims or demands for or against the Town; and to employ counsel whenever in their judgment it is necessary; or act in relation thereto.

UNDER ARTICLE 4. Mr. Howard Humphrey moved that the Town vote to authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust claims or demands for or against the Town; and to employ counsel whenever in their judgment it is necessary. It was so voted.

Mr. Halvar Peterson moved that Articles 26, 27, and 28 be taken up out of order. This motion failed.

ARTICLE 5. To see if the Town will vote to authorize the

Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1969, and January 1, 1970, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws Chapter 44, Section 17.

UNDER ARTICLE 5. Mrs. Charlotte P. DeWolf moved that the town vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1969, and January 1, 1970, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17. It was so voted, unanimously.

ARTICLE 6. To see if the Town will vote to raise and appropriate a sufficient sum of money with which to meet bills for previous years; or act in relation thereto.

UNDER ARTICLE 6. Mr. Gerald Lannan moved that the Town vote to raise and appropriate a sum of Two Thousand and Sixty-four and 14/100 (\$2,064.14) Dollars with which to meet bills for previous years. It was so voted, unanimously.

ARTICLE 7. To see if the Town will vote to raise and appropriate a certain sum of money to pay the Treasurer of the Middlesex County Retirement System, the said amount being the Town's share of the pension, expense, and military funds; or act in relation thereto.

UNDER ARTICLE 7. Mr. William Harvey moved that the Town vote to raise and appropriate Eighty Thousand (\$80,000.00) Dollars to pay the Treasurer of the Middlesex County Retirement System, the said amount being the Town's share of the pension, expense, and military funds. It was so voted, unanimously.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars or some other sum to be used as a Reserve Fund at the discretion of the Finance Committee, as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.

UNDER ARTICLE 8. Mr. Gerald Wallace moved that the Town vote to raise and appropriate the sum of Twenty-five Thousand (\$25,000) Dollars to be used as a Reserve Fund at the discretion of the Finance Committee, as provided in General Laws, Chapter 40, Section 6. It was so voted, unanimously.

ARTICLE 9. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of purchasing five (5) 1968 Standard Tudor Police Cruisers to be used by the Police Department,

said purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

UNDER ARTICLE 9. Mr. Howard Humphrey moved that the Town vote to raise and appropriate Eight Thousand Two Hundred and Thirty-five (\$8,235) Dollars for the purpose of purchasing five (5) 1968 Standard Police Package Cruisers to be used by the Police Department, said purchase to be made under the supervision of the Board of Selectmen. It was so voted, unanimously.

ARTICLE 10. In the event of an affirmative vote under the above article, to see if the Town will vote to authorize the Selectmen to sell by good and sufficient Bill of Sale the five (5) 1967 Police Cruisers now being used by the Police Department; or act in relation thereto.

UNDER ARTICLE 10. Mr. Howard Humphrey moved that the Town vote to authorize the Selectmen to sell by good and sufficient Bill of Sale the four (4) 1967 and one (1) 1966 Police Cruisers now being used by the Police Department. It was so voted.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for Chapter 90 Construction; or act in relation thereto.

UNDER ARTICLE 11. Mr. Gerald Lannan moved that the Town vote to transfer from available funds in the Treasury a sum of Fifty Thousand Four Hundred (\$50,400) Dollars for Chapter 90 Construction. It was so voted, unanimously.

ARTICLE 12 To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for highway construction purposes in accordance with Section 5 of Chapter 616 of the Acts of 1967, Massachusetts General Laws; or act in relation thereto.

UNDER ARTICLE 12. Mr. William Harvey moved that the Town vote to transfer from available funds in the Treasury a sum of Eleven Thousand Five Hundred and Twenty-four and 36/100 (\$11,524.36) Dollars for highway construction purposes in accordance with Section 5 of Chapter 616 of the Acts of 1967, Massachusetts General Law. It was so voted.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money for the purchase of one Sand Screen Plant for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

UNDER ARTICLE 13. Mr. Gerald Lannan moved that the Town vote to raise and appropriate the sum of Seven Thousand Five Hundred (\$7,500.00) Dollars for the purchase of One Sand Screen Plant for the

Highway Department, such purchase to be made under the supervision of the Board of Selectmen. It was so voted, unanimously.

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money for the purchase of three Sanders for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

UNDER ARTICLE 14. Mr. Howard Humphrey moved that the Town vote to raise and appropriate the sum of Six Thousand Five Hundred and Seven and 20/100 (\$6,507.20) Dollars for the purchase of three (3) Sanders for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen. It was so voted, unanimously.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money for the purchase of four Truck Chassis for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

UNDER ARTICLE 15. Mr. Gerald Lannan moved that the Town vote to raise and appropriate the sum of Twenty-Two Thousand Two Hundred and Ninety-one (\$22,291) Dollars for the purchase of four (4) Truck Chassis for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen. It was so voted, unanimously.

ARTICLE 16. In the event of an affirmative vote under Article 15, to see if the Town will authorize the Selectmen to sell by good and sufficient Bill of Sale three trucks being used by the Highway Department; or act in relation thereto.

UNDER ARTICLE 16. Mr. Gerald Lannan moved, in the event of an affirmative vote under Article 15, that the Town authorize the Selectmen to sell by good and sufficient Bill of Sale five (5) trucks being used by the Highway Department. It was so voted, unanimously.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money for the purchase of two Truck Chassis (for waste collection) for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

UNDER ARTICLE 17. Mr. William Harvey moved that the Town vote to raise and appropriate Twelve Thousand Three Hundred and Sixty (\$12,360) Dollars for the purchase of two (2) Truck Chassis (for waste collection) for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen. It was so voted, unanimously.

ARTICLE 18. In the event of an affirmative vote under Article 17, to see if the Town will authorize the Selectmen to sell by good and sufficient Bill of Sale one Waste Collection Truck being used by the Highway Department; or act in relation thereto.

UNDER ARTICLE 18. Mr. William Harvey moved, in the event of an affirmative vote under Article 17, that the Town authorize the Selectmen to sell by good and sufficient Bill of Sale one (1) Waste Collection Truck being used by the Highway Department. It was so voted, unanimously.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money for the purchase of two Packer Bodies (for waste collections) for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

UNDER ARTICLE 19. Mr. William Harvey moved that the Town vote to raise and appropriate Eleven Thousand Nine Hundred and Seventy (\$11,970) Dollars for the purchase of two (2) Packer Bodies for waste collections for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen. It was so voted, unanimously.

ARTICLE 20. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money for the purchase of One Dump Truck for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

UNDER ARTICLE 20. Mr. Howard Humphrey moved that the Town vote to raise and appropriate the sum of Seven Thousand Eight Hundred and Seventy-one (\$7,871) Dollars for the purchase of One (1) Dump Truck for the Highway Department, such purchase to be made under the supervision of the Board of Selectmen. It was so voted, unanimously.

ARTICLE 21. To see if the Town will vote to request the Department of Corporations and Taxation, Division of Accounts of the Commonwealth of Massachusetts, to make an audit of all accounts in all departments in the Town of Chelmsford, Massachusetts; or act in relation thereto.

UNDER ARTICLE 21. Mrs. Charlotte P. DeWolf moved that the Town vote to request the Department of Corporations and Taxation, Division of Accounts of the Commonwealth of Massachusetts, to make an audit of all accounts in all departments in the Town of Chelmsford, Massachusetts. It was so voted, unanimously.

ARTICLE 22. To see if the Town will vote to authorize the Selectmen to accept on behalf of the Town by good and sufficient quitclaim deed a certain triangular parcel of land located in the said Town of Chelmsford containing approximately 0.41 acres being the property now or formerly of Terrence E. O'Rourke, and more particularly described in the Town of Chelmsford Assessors' Maps, Plat 195, Block 43, Lot 125; and in the event of the affirmative vote under the above article to see if the Town will vote to authorize the Board of Selectmen to sell and convey by good and sufficient quitclaim deed the parcel of land in the above article, or act in relation thereto, if it is in the best judgment of the Board of Selectmen in the interest of the Town to do so.

UNDER ARTICLE 22. Mrs. Charlotte P. DeWolf moved that the Town vote to authorize the Selectmen to accept on behalf of the Town by good and sufficient quitclaim deed a certain triangular parcel of land located in the said Town of Chelmsford containing approximately 0.41 acres being the property now or formerly of Terrence E. O'Rourke, and more particularly described in the Town of Chelmsford Assessors' Maps, Plat 195, Block 43, Lot 125; and in the event of the affirmative vote under the above article, Mrs. DeWolf moved that the Town vote to authorize the Board of Selectmen to sell and convey by good and sufficient quitclaim deed the parcel of land described in the above article, if it is in the best judgment of the Board of Selectmen in the interest of the Town to do so. It was so voted, unanimously.

ARTICLE 23. To see if the Town will vote to amend the Personnel, Wage and Salary Classification and Compensation Plan by adding thereto the following:

Section 25. Compensation for Academic Achievement.

(a) Any full time, permanent member of the Police Department who has earned and received an Associate of Science certificate in law enforcement from an accredited college or university shall be paid \$200 additional salary per year in his grade.

(b) Any full time, permanent member of the Fire Department who has earned and received an Associate of Science Certificate in Fire Science from an accredited college or university shall be paid \$200 additional salary per year in his grade.

(c) Any full time, permanent member of the Police Department who has earned and received a Bachelor of Science degree in law enforcement from an accredited college shall receive \$400 additional salary per year in his grade. In the event, however, that the said member is already receiving additional compensation by virtue of having obtained an Associate of Science certificate, then he shall be entitled only to an additional \$200, so that his total additional salary shall not be in excess of \$400 per year.

(d) No member of the Police or Fire Department shall be entitled to any of the above additional salary without the prior approval of the Personnel Board.

UNDER ARTICLE 23. Mr. S. Anthony DiCiero moved that the Town vote to amend the Personnel Wage and Salary Classification and Compensation Plan by adding thereto the following:

Section 25. Compensation for Academic Achievement.

(a) Any full time, permanent member of the Police Department who has earned and received an Associate of Science certificate in law enforcement from an accredited college or university shall be paid Two Hundred (\$200) Dollars additional salary per year in his grade.

(b) Any full time, permanent member of the Fire Department who has earned and received an Associate of Science Certificate in Fire Science from an accredited college or university shall be paid be paid Two Hundred (\$200) Dollars additional salary per year in his grade.

(c) Any full time, permanent member of the Police Department who has earned and received a Bachelor of Science degree in law enforcement from an accredited college shall receive Four Hundred (\$400) Dollars additional salary per year in his grade. In the event, however, that the said member is already receiving additional compensation by virtue of having obtained as Associate of Science certificate, then he shall be entitled only to an additional Two Hundred (\$200) Dollars, so that his total additional salary shall not be in excess of Four Hundred (\$400) Dollars per year.

(d) No member of the Police or Fire Department shall be entitled to any of the above additional salary without the prior approval of the Personnel Board.

It was so voted, unanimously.

ARTICLE 24. To see if the Town will vote to amend the Personnel, Wage and Salary Classification Plan by adding thereto the following:

Section 26. Bereavement and Funeral Leave.

(a) All full time, permanent employees covered by this Plan shall be entitled to leave without loss of pay not to exceed three (3) days in the event of the death of the employees' spouse, children, parents, grandparents, and siblings.

(b) Leave as provided by this section shall terminate with the day of the funeral and shall not be deducted from any vacation time to which the employees may be entitled.

UNDER ARTICLE 24. Mr. Peter J. McHugh moved that the Town vote to amend the Personnel Wage and Salary Classification Plan by adding thereto the following:

Section 26. Bereavement and Funeral Leave.

(a) All full time, permanent employees covered by this Plan shall be entitled to leave without loss of pay not to exceed three (3) days in the event of the death of the employees' spouse, children, parents,

grandparents, and siblings.

(b) Leave as provided by this section shall terminate with the day of the funeral and shall not be deducted from any vacation time to which the employees may be entitled.

It was so voted, unanimously.

ARTICLE 25. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money to purchase an electronic Bookkeeping Machine for use of various Town Departments; or act in relation thereto.

UNDER ARTICLE 25. Mrs. Charlotte P. DeWolf moved that the Town vote to raise and appropriate the sum of Twelve Thousand One Hundred and Eighteen (\$12,118) Dollars to purchase an electronic Bookkeeping Machine for use of various Town Departments. It was so voted, unanimously.

ARTICLE 26. To see if the Town will authorize the construction of a sewerage system, including lateral and intercepting sewers, sewage pumping stations, and sewage disposal facilities; to appropriate a sum of money in addition to any federal and state funds available therefor by authorizing the issuance of bonds or notes of the Town; or act in relation thereto.

UNDER ARTICLE 26. Mr. Edgar P. George moved that the Sewer Advisory Committee be authorized to proceed with the construction of a sewerage system in Chelmsford, including lateral and intercepting sewers, sewerage pumping station and sewerage treatment and disposal facilities, generally in accordance with the "Municipal Pollution Abatement Plan" contained in the "Report on Sewerage and Sewage Disposal for the Town of Chelmsford, Massachusetts" dated June 15, 1964 by Camp, Dresser and McKee, Engineers; that the sum of \$1,280,000 be appropriated for the construction of said sewer project and that to meet this appropriation, the Treasurer, with the approval of the Selectmen is authorized to issue \$1,280,000 bonds or notes of the Town therefor under G.L. c. 44, s. 8(15); and that the Sewer Advisory Committee is authorized to apply for and accept any federal or state aid for the project to be used in addition to the foregoing appropriation.

A hand vote was taken. YES 296 NO 154 Tellers were Peter Dulchinos, Cristy Pettee, Stratos G. Dukakis, Terrence O'Rourke, George Basbanes, Edward M. Judge. Motion failed. Not 2/3 Vote Required.

ARTICLE 27. To see if the Town will vote to authorize the Sewer Advisory Committee to acquire by purchase, eminent domain, or otherwise, in fee simple, a certain parcel of land containing about twenty-six (26) acres situated in North Chelmsford bordered on the north by the Merrimack River, on the east by Lot #23, now or formerly of Southwell Combing Company, on the south by Lot #2, now or formerly of South-

well Combing Company, and on the west by land now or formerly of S & G Realty Corporation, together with associated right-of-ways necessary for access thereto, for the site of the sewage treatment plant, and to see if the Town will vote to raise and appropriate a sum of money for that purpose; or act in relation thereto.

UNDER ARTICLE 27. Mr. Edgar P. George moved that the Town vote to authorize the Board of Selectmen to acquire by purchase, Eminent Domain; or otherwise in fee simple, a certain parcel of land containing about twenty-six (26) acres situated in North Chelmsford bordered on the south by approximately 900 feet by Lot #2, now or formerly of Southwell Combing Company; on the east by approximately 1,000 feet by Lot #23, now or formerly of Southwell Combing Company; on the north by approximately 1,200 feet along the Merrimack River and on the west by approximately 1,500 feet by Lot #1, now or formerly of S & G Realty Corporation together with a fifty (50) foot right-of-way access to the junction of Wotton Road and the Boston & Maine Railroad for necessary access thereto for the site of the sewage treatment plant and the Town vote to raise and appropriate the sum of Thirty-Nine Thousand (\$39,000.00) Dollars for that purpose.

A hand vote was taken. YES 322 NO 66 Motion Carried.

ARTICLE 28. To see if the Town will vote to authorize the Sewer Advisory Committee to employ an engineer to prepare final plans and specifications for sewerage disposal facilities for the Town of Chelmsford and to raise and appropriate a sum of money for the purpose thereto or act in relation thereto.

UNDER ARTICLE 28. Mr. Edgar P. George moved that the Town vote to authorize the Sewer Advisory Committee to employ an engineering firm to prepare final plans and specifications for sewerage disposal facilities for the Town of Chelmsford, generally in accordance with the "Municipal Pollution Abatement Plan" contained in the "Report on Sewerage and Sewage Disposal" for the Town dated June 15, 1964 by Camp, Dresser and McKee, Engineers, and that the Town vote to raise and appropriate Fifty Thousand (\$50,000.00) Dollars to be used in conjunction with any funds or grants available under the Federal Water Pollution Control Act or any other applicable federal legislation and any grant or grant advances under any applicable state legislation for that purpose. It was so voted.

ARTICLE 29. To see if the Town will vote to continue the Sewer Advisory Committee and to raise or appropriate \$2,000 to be used to defray expenses of said Committee.

UNDER ARTICLE 29. Mr. Edgar P. George moved that the Town vote to continue the Sewer Advisory Committee under Chapter 83 as amended

and to raise and appropriate Two Thousand (\$2,000.00) Dollars to be used to defray expenses of said Committee. It was so voted.

ARTICLE 30. To see if the Town will raise and appropriate a certain sum of money for the purpose of purchasing equipment and accessories and installing a two-way radio communication system for the Highway Department, said purchase to be made under supervision of Board of Selectmen.

UNDER ARTICLE 30. Mr. Gerald Lannan moved that the Town raise and appropriate Three Thousand Three Hundred (\$3,300) for the purpose of purchasing equipment and accessories and installing a two-way radio communication system for the Highway Department, said purchase to be made under supervision of Board of Selectmen. It was so voted.

ARTICLE 31. To see if the Town will vote to appoint a Committee consisting of five members, two of whom shall be Library Trustees, for the purpose of proceeding with the selection of a site for a new Public Library and with the preparation of preliminary plans and specifications for the construction of a Public Library, said Committee to report back to the next Annual Town Meeting and to raise and appropriate the sum of One Thousand Dollars for the use of said Committee; or act in relation thereto.

UNDER ARTICLE 31. Miss Marjorie Scoboria moved that the Town vote to authorize the Moderator to appoint a Committee consisting of five (5) members, two of whom shall be Library Trustees, for the purpose of proceeding with the selection of a site for a new Public Library and with the preparation of preliminary plans and specifications for the construction of a Public Library, said Committee to report back to the next annual town meeting and to raise and appropriate the sum of One Thousand (\$1,000) Dollars for the use of said Committee. It was so voted.

ARTICLE 32. To authorize the Town of Chelmsford to refund to Jason H. French of Chelmsford the sum of One Hundred and Fifty-One and 05/100 (\$151.05) Dollars, the same being the amount collected by said Town from said French as taxes in the years 1962 through 1964, inclusive upon certain personal property in the Town, which amount was erroneously assessed by the Assessors of said Town to have been due from said French; or act in relation thereto.

UNDER ARTICLE 32. Mrs. Charlotte P. DeWolf moved that the Town of Chelmsford be authorized to raise and appropriate the sum of One Hundred and Fifty-One and 05/100 (\$151.05) Dollars in order to refund to Jason H. French of Chelmsford the same, being the amount collected by said Town from said French as taxes in the years 1962 through 1964, inclusive, upon certain personal property in the Town, which amount was erroneously assessed by the Assessors of the said Town to have been due from said French. It was so voted.

ARTICLE 33. To see if the Town will vote to appoint a committee, said committee to be named by the Board of Selectmen, consisting of five members; one of whom shall be the Street Superintendent for the purpose of studying the advisability of constructing an addition to the present Highway Department Garage, located on Richardson Road, said committee to report back at the next Annual Town Meeting; or act in relation thereto.

UNDER ARTICLE 33. Mr. Gerald Lannan moved that the Town vote to appoint a committee, said committee to be named by the Board of Selectmen, consisting of five (5) members; one of whom shall be the Street Superintendent for the purpose of studying the advisability of constructing an addition to the present Highway Department Garage, located on Richardson Road, said committee to report back at the next annual town meeting. It was so voted.

ARTICLE 34. To see if the Town will vote to change the name of Asbury Street to Robert Bigelow Street, in honor of a Serviceman who was killed in Vietnam.

UNDER ARTICLE 34. Mr. Timothy O'Connor moved that the Town vote to change the name of Asbury Street to Robert Bigelow Street, in honor of a Serviceman who was killed in Vietnam. It was so voted.

UNDER ARTICLE 35. This article was voted upon before Article 2 at Town Meeting March 11, 1968.

ARTICLE 36. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money for the purchase of a 1968 DeLuxe four-door sedan type of vehicle for the Fire Department, said purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

UNDER ARTICLE 36. Mr. Frederick Reid moved that the Town vote to raise and appropriate the sum of One Thousand Seven Hundred and Four (\$1,704) Dollars for the purchase of a 1968 DeLuxe four-door sedan type of vehicle for the Fire Department, said purchase to be made under the supervision of the Board of Selectmen. This motion failed.

ARTICLE 37. In the event of an affirmative vote under the preceding Article, to see if the Town will authorize the Selectmen to sell by good and sufficient Bill of Sale the station wagon type of vehicle which has been used by the Fire Department; or act in relation thereto.

UNDER ARTICLE 37. Mr. Frederick Reid moved that the Town authorize the Selectmen to sell by good and sufficient Bill of Sale the station wagon type of vehicle which has been used by the Fire Department. This Article was dismissed.

ARTICLE 38. To see if the Town will vote to change the precinct

line between Precinct 10 and Precinct 5 as follows:

Beginning at the stone bound on Proctor Road between Carlisle and Chelmsford running easterly on the Town Line between Carlisle and Chelmsford to the center of Concord Road; then running northerly on center of Concord Road to the intersection of Old Stage Road and Concord Road; thence northerly on the center line of Old Stage Road to the intersection of Old Stage Road and turning west on Sierra Drive to the intersection of Sierra Drive to a proposed street named Smoke Rise Drive; thence northerly on proposed Smoke Rise Drive to the intersection of another proposed street named Country Club Drive; thence westerly along the center line of proposed Country Club Drive to another proposed street named Green Valley Drive, thence northerly along Green Valley Drive to Acton Road just easterly of Brush Hill Road; or act in relation thereto.

UNDER ARTICLE 38. Mr. John J. Carr moved that the Town vote to change the precinct line between Precinct 10 and Precinct 5 as follows:

Beginning at the stone bound on Proctor Road between Carlisle and Chelmsford running easterly on the Town Line between Carlisle and Chelmsford to the center of Concord Road; then running northerly on center of Concord Road to the intersection of Old Stage Road and Concord Road; thence northerly on the center line of Old Stage Road to the intersection of Old Stage Road and turning west on Sierra Drive to the intersection of Sierra Drive to a proposed street named Smoke Rise Drive; thence northerly on proposed Smoke Rise Drive to the intersection of another proposed street named Country Club Drive; thence westerly along the center line of proposed Country Club Drive to another proposed street named Green Valley Drive, thence northerly along Green Valley Drive to Acton Road just easterly of Brush Hill Road.

It was so voted, unanimously.

ARTICLE 39. To see if the Town will vote to amend Section II Definitions of the zoning by-laws, by adding the following definition:

"Swimming Pool — any constructed pool, located above or below the ground, whether portable or fixed, used or capable of being used for swimming, wading, or bathing purposes. Pools having a depth of two feet or more and having a capacity of two hundred cubic feet or more in volume shall be considered structures, subject to the Intensity of Use and other requirements of the Zoning By-Law;" or act in relation thereto.

UNDER ARTICLE 39. Mr. Bradford Emerson moved that the Town vote to amend Section II Definitions of the zoning by-laws, by adding the following definition:

"Swimming Pool — any constructed pool, located above or below the ground, whether portable or fixed, used or capable of being used

for swimming, wading, or bathing purposes. Pools having a depth of two feet or more and having a capacity of two hundred cubic feet or more in volume shall be considered structures, subject to the Intensity of Use and other requirements of the Zoning By-Law."

This motion was defeated.

A motion to take up Article 44 out of order was voted.

ARTICLE 44. To see if the Town will vote to amend the Zoning By-Laws, Section 6.2 Accessory Building, to read as follows:

"6.2 Accessory Building — No accessory building or structure, except a permitted sign or a roadside stand, shall be located within a required front yard; and no accessory building shall be located within a required side yard. A detached accessory building or buildings may be located within a rear yard provided that not more than 25% of the required yard area shall be so occupied; and further provided that an accessory building shall be at least ten (10) feet from any side or rear lot line. An accessory building attached to its principal building or within ten (10) feet of it shall be considered an integral part thereof, and, as such, subject to the front, side, and rear yard requirements applicable to the principal building;" or act in relation thereto.

UNDER ARTICLE 44. Mr. Bradford Emerson moved that the Town vote to amend the zoning by-laws, Section 6.2 Accessory Building, to read as follows:

"6.2 Accessory Building — No accessory building or structure, except a permitted sign or a roadside stand, shall be located within a required front yard; and no accessory building shall be located within a required side yard. A detached accessory building or buildings may be located within a rear yard provided that not more than 25% of the required yard area shall be so occupied; and further provided that an accessory building shall be at least ten (10) feet from any side or rear lot line. An accessory building attached to its principal building or within ten (10) feet of it shall be considered an integral part thereof, and, as such, subject to the front, side, and rear yard requirements applicable to the principal building;" or act in relation thereto.

This motion was defeated.

ARTICLE 40. To see if the Town will vote to amend Section II Definitions of the zoning by-laws, by adding the following definition:

"Lot Area — the horizontal area of the lot exclusive of any area in a street or way open to public use. Not more than twenty percent of the lot area satisfying zoning compliance shall be area under water nine months or more in a normal year;" or act in relation thereto.

UNDER ARTICLE 40. Mr. Bradford Emerson moved that the Town

vote to amend Section II Definitions of the zoning by-laws by adding the following definition:

“Lot Area — the horizontal area of the lot exclusive of any area in a street or way open to public use. Not more than twenty (20) percent of the lot area satisfying zoning compliance shall be area under water nine months or more in a normal year.”

It was so voted, unanimously.

ARTICLE 41. To see if the Town will vote to amend Section II Definitions of the zoning by-laws by revising the definition of “Yard, Side” to read as follows:

“Yard, Side — An open unoccupied space on the same lot with the building, situated between the building and the side line of the lot and extending from the required front yard to the required rear yard. Any lot line not a rear line or a front line shall be deemed a side line;” or act in relation thereto.

UNDER ARTICLE 41. Regarding definition of side yards. This Article was dismissed.

ARTICLE 42. To see if the Town will vote to amend the Zoning By-Law by inserting the following section:

“5.6 Cluster Development

Parcels in excess of ten acres located within the RA or RB Districts may be subdivided and developed with clustered lots, provided that all lots so developed are shown on a subdivision plan approved and endorsed by the Planning Board as “Approved for Cluster Development.” Such approval shall be granted only subject to the following conditions:

5.6.1 The proposed development shall be, in the judgment of the Planning Board, superior to a conventional plan in offering safety and amenity for both the development and affected surrounding areas.

5.6.2 The intensity of use requirements for single-family development in the RC District shall be conformed to, except that minimum lot frontage shall be one hundred feet.

5.6.3 The total number of lots shall not exceed the number of lots into which the land could legally be subdivided were it not for the provisions of Section 5.6.

5.6.4 All land not contained in building lots or roads shall be deeded to the Town of Chelmsford for a stated public purpose, and no development shall commence prior to acceptance of such land by the Chelmsford Town Meeting.

5.6.5 Subsequent to approval of such subdivision plan, no land therein shall be sold and no lot line shall be changed in such way as to increase the number of lots or the extent of non-conformity with the provision of Sections 5.4 and 5.5 of this By-Law;” or act in relation thereto.

UNDER ARTICLE 42. Mr. Bradford Emerson moved that the Town vote to amend the Zoning By-Law by inserting the following section:

"5.6 Cluster Development

Parcels in excess of ten acres located within the RA or RB Districts may be subdivided and developed with clustered lots, provided that all lots so developed are shown on a subdivision plan approved and endorsed by the Planning Board as "Approved for Cluster Development." Such approval shall be granted only subject to the following conditions:

5.6.1 The proposed development shall be, in the judgment of the Planning Board, superior to a conventional plan in offering safety and amenity for both the development and affected surrounding areas.

5.6.2 The intensity of use requirements for single-family development in the RC District shall be conformed to, except that minimum lot frontage shall be one hundred feet.

5.6.3 The total number of lots shall not exceed the number of lots into which the land could legally be subdivided were it not for the provisions of Section 5.6.

5.6.4 All land not contained in building lots or roads shall be deeded to the Town of Chelmsford for a stated public purpose, and no development shall commence prior to acceptance of such land by the Chelmsford Town Meeting.

5.6.5 Subsequent to approval of such subdivision plan, no land therein shall be sold and no lot line shall be changed in such way as to increase the number of lots or the extent of non-conformity with the provisions of Sections 5.4 and 5.5 of this By-Law."

After considerable discussion, because of the lateness of the hour Mr. Clarence Hope moved the meeting adjourn to Monday evening, March 25, 1968 at 7:30 P.M., at the High School Gymnasium. It was so voted.

WARRANT FOR SPECIAL TOWN MEETING

September 16, 1968

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To the constable, or any other suitable person of the Town of Chelmsford.

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of the Town of Chelmsford to meet in the High School Auditorium at Chelmsford, on the 16th day of September, 1968 at 7:30 P.M., then and there to act upon the following articles, viz:

SPECIAL TOWN MEETING**September 16, 1968****HIGH SCHOOL AUDITORIUM**

Moderator Daniel J. Coughlin, Jr., called the meeting to order and recognized the presence of a quorum at 7:55 P.M. He appointed the following tellers:

William Riney
Eugene Crane
Philip Tulley
John Carragher

Chairman of the Board of Selectmen Gerald J. Lannan moved that the reading of the Warrant be waived. It was so voted.

ARTICLE 1. To see if the Town will authorize the construction of a sewerage system including lateral and intercepting sewers, sewage pumping stations, and sewerage disposal facilities to appropriate or transfer from available funds a sum of money in addition to any federal and state funds available therefor by authorizing the issuance of bonds or notes for the Town; or act in relation thereto.

UNDER ARTICLE 1. Edgar P. George moved that the Sewer Advisory Committee be authorized to proceed with the construction of a sewerage system in Chelmsford including lateral and intercepting sewers, sewerage pumping station and sewerage treatment and disposal facilities, generally in accordance with the "Municipal Pollution Abatement Plan" contained in the "Report on Sewerage and Sewerage Disposal for the Town of Chelmsford, Massachusetts" dated June 15, 1964 by Camp, Dresser and McKee, Engineers; that the sum of \$1,280,000.00 be appropriated for the construction of said sewer project and that to meet this appropriation, the Treasurer, with the approval of the Selectmen is authorized to issue \$1,280,000.00 bonds or notes of the Town therefor under General Laws Chapter 44, Section 8 (15); and that the Sewer Advisory Committee is authorized to apply for and accept any federal or state aid for the project to be used in addition to the foregoing appropriation. A secret ballot vote was taken.

YES 388 NO 165 More than 2/3 required. It was so voted.

ARTICLE 2. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum, said sum to be utilized by the Board of Selectmen as the Town's assessment for bus service for the year 1968; or act in relation thereto.

UNDER ARTICLE 2. Mr. Gerald Lannan moved that the Town vote to transfer from the Excess and Deficiency Account the sum of \$19,000.00.

Said sum to be utilized by the Board of Selectmen as the Town's assessment for entering into a bus service contract with the M.B.T.A. from September 26, 1968 to March 31, 1969. Mr. Edward Hilliard moved the following amendment "any carrier except" be added after the words service contract with. This motion failed. A hand vote was taken on original motion.

YES 256 NO 87 More than 2/3 required. It was so voted.

ARTICLE 3. To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase, eminent domain, or otherwise in fee simple for cemetery purpose a certain parcel of land containing Thirty-seven and 87/100 (37.87) acres more or less, situated in Chelmsford and adjoining Pine Ridge Cemetery. Said lot being shown on Plat 116, Lot 6 and being the property of Edward G. Krasnecki, Roy T. Johnson, Eugene D. Litchfield and Robert M. Hicks, being Trustees of the B.E.E.R. Realty Trust; and to that end or for that purpose to see if the Town will raise and appropriate or transfer from available funds a certain sum of money or act in relation thereto.

UNDER ARTICLE 3. Regarding purchase of land for Cemetery purposes. This Article was dismissed.

ARTICLE 4. To see if the Town will vote to transfer from the Excess and Deficiency Account \$700.00 to the Treasurer and Collector's Stationery and Postage Account.

UNDER ARTICLE 4. Regarding transfer for Treasurer and Collector's Stationery and Postage Account. This Article was dismissed.

ARTICLE 5. To see if the Town will vote to transfer from the Excess and Deficiency Account \$200.00 to the Account called Printing, Advertising and Binding in the Treasurer and Collector's Budget.

UNDER ARTICLE 5. Regarding transfer for Treasurer and Collector's Printing, Advertising and Binding. This article was dismissed.

ARTICLE 6. To see if the Town will vote to transfer from the Excess and Deficiency Account \$400.00 to the Account called Expenses in the Treasurer and Collector's Budget.

UNDER ARTICLE 6. Regarding transfer for the Treasurer and Collector's expenses. This Article was dismissed.

ARTICLE 7. To see if the Town will vote to transfer from the Excess and Deficiency Account the sum of \$1,500.00 for the purpose of inaugurating a Key Punch card system for the Street and Voters Lists, Board of Registrars Expense Account.

UNDER ARTICLE 7. Regarding money for Key Punch Card System. This Article was dismissed.

ARTICLE 8. To see if the Town will raise and appropriate or transfer from available funds the sum of \$14,725.49 for the purpose of making interest payments on the Westlands and Richardson Road Schools, due November 1, 1968; or act in relation thereto.

UNDER ARTICLE 8. Mr. Richard McDermott moved that the Town vote to transfer from the Excess and Deficiency Account the sum of \$14,725.49 for the purpose of making interest payments on the Westlands and Richardson Road Schools due November 1, 1968. It was so voted unanimously.

ARTICLE 9. To see if the Town will vote to transfer from the Excess and Deficiency Account the sum of \$2,500.00 to the Road Machinery Account - Repairs.

UNDER ARTICLE 9. Regarding transfer for Road Machinery Account - Repairs. This Article was dismissed.

ARTICLE 10. To see if the Town will vote to transfer from the Excess and Deficiency Account the sum of \$200.00 to the Street Signs Account.

UNDER ARTICLE 10. Regarding transfer for Street Signs Account. This Article was dismissed.

ARTICLE 11. To see if the Town will vote to transfer from available funds a certain sum of money, said sum to be used to purchase a new front end loader for the Highway Department, said purchase to be made under the direction of the Board of Selectmen; or act in relation thereto.

UNDER ARTICLE 11. Mr. Richard McDermott moved that the Town vote to transfer from the Excess and Deficiency Account \$15,000.00. Said sum to be used to purchase a new front end loader for the Highway Department. It was so voted unanimously.

ARTICLE 12. In the event of an affirmative vote under the preceding article to see if the Town will vote to authorize the Board of Selectmen to sell the 1963 Nelson Loader now owned by the Highway Department:

UNDER ARTICLE 12. Mr. Richard McDermott moved that in the event of an affirmative vote under Article 11, the Town vote to authorize the Selectmen to sell by good and sufficient bill of sale the 1963 Nelson Loader now owned by the Highway Department. It was so voted.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$7,300.00 for the purpose of installation of two little-league size baseball facilities, installation of chain link fencing, installation of a water line, and other necessary items

such as backstops and dugouts, at the Roberts Property for recreation purposes or act in relation thereto.

UNDER ARTICLE 13. Mr. Richard McDermott moved dismissal for Article 13 regarding transfer of \$7,300.00 for recreation on Roberts Property. A hand vote was taken: At this point the Moderator appointed Cristy Pettee and Anthony diCiero tellers.

FOR DISMISSAL 135 AGAINST DISMISSAL 113
Not 2/3 required. This motion failed. A second vote was taken:

FOR DISMISSAL 139 AGAINST DISMISSAL 112
This motion failed.

Selectman Lannan moved adjournment at 11:25 P.M. to Thursday, September 19, 1968 at 7:30 P.M. in the High School Auditorium.

ADJOURNED SPECIAL TOWN MEETING

September 19, 1968

Moderator Daniel J. Coughlin called those present to order at 7:40 P.M. He announced that we would wait until 8:00 P.M. to see if a quorum was present. At 8:00 P.M. no quorum was present. The meeting was cancelled. Articles 14-19 inc. not acted upon.

Daniel J. Coughlin, Town Moderator
Charlotte P. DeWolf, Town Clerk

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$382.00 with which to meet bills for previous years; or act in relation thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of Ten Thousand and no/100 (\$10,000) Dollars for the Veteran's Benefits Department, Cash and Material Grants account, or act in relation thereto.

ARTICLE 16. To see if the Town will vote to transfer from Excess and Deficiency Account a certain sum of money to use for the printing of a new By-Law Book or act in relation thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Four Hundred and no/100 (\$400.00) for the purposes of engaging engineering services for developing property located at the South Row School for a recreational site for the Recreation Commission; or act in relation thereto.

ARTICLE 18. To see if the Town will adopt the following resolution:
WHEREAS The Citizens of Chelmsford have adopted a Zoning by-law
and,

WHEREAS The Board of Appeals exists to grant variances to the zoning
by-law only in the event of severe hardships, upon a parcel of land
provided that the variance does not substantially derogate the intent
and purpose of the zoning by-law and, is not substantially detrimental
to the public good and,

WHEREAS The Board of Appeals in Chelmsford has, on numerous oc-
casions, exceeded the authority granted to it by the Town and the
laws of the Commonwealth, therefore be it

RESOLVED THAT The citizens of Chelmsford direct the Board of Select-
men to investigate the improprieties of the Board of Appeals, what-
ever action necessary to correct same, and to report their findings
to the next Town Meeting; or act in relation thereto.

ARTICLE 19. To see if the Town will raise, appropriate or transfer
from available funds the amount of \$2,000.00 for use by the Chelmsford
Planning Board to appeal to the courts, any decisions of the Board of
Appeals which are, in their opinion a substantial derogation to the zoning
by-law; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested
copies thereof at the McFarlin School - All Purpose Room; Auditorium -
North School; Band Room - Junior High; East Chelmsford School;
Liberty Hall - So. Chelmsford; Auditorium - North School; Small Gym-
nasium - High School; Cafeteria - So. Row School; Library - Westlands
School, seven days at least before the time appointed for holding the
meeting aforesaid.

HEREOF FAIL NOT and make return of the Warrant with your
doings thereon to the Town Clerk at the time and place of holding this
meeting aforesaid.

GIVEN UNDER OUR HANDS THIS 6th day of September, 1968.

GERALD J. LANNAN
WILLIAM L. HARVEY
HOWARD E. HUMPHREY

For 32nd Representative District, Middlesex

COUNTY COMMISSIONER (2) For Middlesex County

SHERIFF For Middlesex County

And to vote on the following questions:

QUESTION NO. 1**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 16, 1965, received 210 votes in the affirmative and 26 in the negative, and in a joint session of the two

branches held May 10, 1967, received 220 votes in the affirmative and 9 in the negative?

YES ☐ NO ☐

Summary

The proposed amendment to the Constitution increases from five days to ten days the period of time the Constitution gives the Governor to act upon measures passed by the Legislature and submitted to him for approval. No other changes are made in the several Constitutional provisions relative to action by the Governor upon such measures.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution, summarized below, which was approved by the General Court in a joint session of the two branches held August 30, 1966, received 188 votes in the affirmative and 46 in the negative, and in a joint session of the two branches held May 10, 1967, received 174 votes in the affirmative and 78 in the negative?

YES ☐ NO ☐

Summary

The proposed amendment of the Constitution authorizes the legislature to impose an income tax graduated according to total income and authorizes the granting of reasonable exemptions, deductions and abatements as, an alternative to the exercise of the Legislature's existing power to tax income under Article 44 of the Amendments to the Constitution. Without limiting the foregoing authorization, the proposed amendment permits any such tax to be imposed at a uniform percentage of an individual's federal income tax liability or at graduated rates applied to his total income taxable federally; and it permits reasonable variations of any federal provision. It requires that the graduated rates, exemptions and deductions be set without regard to the kind of income being taxed.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 20, 1966, received 225 votes in the affirmative and 1 in the negative and in a joint session of the two branches held June 15, 1967, received 210 votes in the affirmative and 2 in the negative?

YES ☐ NO ☐

Summary

The proposed amendment of the Constitution defines the circumstances in which a governor's inability to perform his functions shall cause his office to become vacant, and it establishes a procedure for making the necessary determinations. The office will become vacant following a declaration of disability by the Governor himself or by the

Chief Justice and a majority of the Associate Justices of the Supreme Judicial Court or such other body as the Legislature may provide. The Vacancy will terminate four days after the Governor declares that no disability exists unless (1) within that period, the Chief Justice and a majority of the Associate Justices or such other body provided by the Legislature should make a contrary declaration and (2) within another stated period the Legislature, by two-thirds of each branch present and voting, then determines the issue contrary to the Governor's declaration.

The same procedure will also apply to a Lieutenant Governor who, in the case of a vacancy, is performing the Governor's duties.

The proposed amendment also requires the election of a Governor for the unexpired balance of the four-year term if a vacancy in the office of Governor, as described in the proposed amendment, continues for a six-month period expiring more than five months prior to a biennial state election other than an election for Governor.

QUESTION NO. 4

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law, summarized below, upon which the House of Representatives did not vote and upon which the Senate did not vote?

YES ☐ NO ☐

Summary

The proposed law provides that the official ballot in the biennial State election for the year 1970 shall contain a question asking the voters whether there shall be a convention in 1971 to (1) revise, alter or amend the constitution of the Commonwealth on the following subjects insofar as they relate to the structure of government, and no others: The Executive Branch, the General Court, the Executive Council; the government of cities, towns, and counties and their relationship to each other and to the government of the Commonwealth; (2) simplify and rearrange the Constitution; and (3) provide methods of amendment thereof. The question will state that the convention shall not consider or propose any measure which relates to the Massachusetts Declaration of Rights, the provisions of the Massachusetts Constitution concerning the "Judiciary Power" (other than provisions respecting the Executive Council) or any of the excluded matters enumerated in Article XLVII, Section 2 of the Massachusetts Constitution. The question will fix the number of delegates to the Convention at 150 of whom 20 members shall be members of the General Court; the remaining 130 members shall be elected by the voters in the manner summarized below. The question will also state that the convention shall conclude its business not later than 120 days from its first session.

The proposed law provides that if a majority of the votes on the foregoing question is in the affirmative, the convention shall be held in July, 1971, to revise, alter, or amend the Constitution on the matters enumerated above only. The House of Representatives and the Senate shall elect as delegates 10 of its members, not more than 6 from each

branch coming from the same political party. Of the remaining 130 delegates, 10 shall be elected at large and 120 shall be elected from the 40 senatorial districts, 3 from each. Provision is made for the manner of nominating and electing these 130 delegates without party or political designation for filling vacancies occurring in the position of any delegate, from whatever source chosen, and for the conduct of the convention's business.

Any revisions, alterations and amendments of the Massachusetts Constitution adopted by the convention shall be submitted to the people at the State election in 1972 for their ratification and adoption in such manner as the convention may direct. If a majority of the people voting thereon ratify and adopt such revision, alteration or amendment the constitution shall be deemed to be changed accordingly.

The proposed law also provides that if the vote on the question to be submitted at the biennial State election in 1970 is in the affirmative the Governor shall appoint a preparatory commission of 5 members to compile data to aid the convention in the discharge of its duties. Each member commission may expend a sum not in excess of \$200,000, as the Governor may approve for its expenses.

QUESTION NO. 5

A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines, and all other alcoholic beverages)?

YES ☐ NO ☐

B. Shall licenses be granted in this town for the sale therein of wine and malt beverages (wines and beer, ale, and all other malt beverages)?

YES ☐ NO ☐

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

YES ☐ NO ☐

D. Shall licenses be granted in this town for the sale of all alcoholic beverages by hotels having dining room capacity of not less than ninety-nine persons and lodging capacity of not less than fifty rooms?

YES ☐ NO ☐

QUESTION NO. 6

Shall the Commonwealth of Massachusetts retain capital punishment for crime?

YES ☐ NO ☐

ADJOURNED TOWN MEETING

March 25, 1968

Moderator Daniel J. Coughlin, Jr. called the meeting to order at 8:05 P.M., apologizing for the delay. He declared a quorum present. Discussion began on Article 42 regarding Cluster Zoning. On motion of Richard T. McDermott, Chairman of the Finance Committee, the number of acres in such a sub-division was changed from ten to twenty. This motion carried.

On motion of Mr. Michael Rudkin, Section 5.6.4 was amended to read "Annual Town Meeting". This motion carried.

On motion of Robert Eppes for dismissal of this article, a hand count was taken. YES 250 NO 170 therefore, the article was dismissed.

At this point Chairman of the Board of Selectmen, Gerald J. Lannan moved that Article 71 be taken out of order. It was so voted.

ARTICLE 71. To see if the Town will vote to authorize the Board of Selectmen to enter into and negotiate with the Massachusetts Bay Transportation Authority for bus service for the Town of Chelmsford and Lowell areas if it is concluded by the Board of Selectmen that such service would be to the best interests of the Town; or act in relation thereto.

UNDER ARTICLE 71. Mr. Howard E. Humphrey moved that the Town vote to authorize the Board of Selectmen to enter into and negotiate with the Massachusetts Bay Transportation Authority for bus service for the Town of Chelmsford and Lowell areas if it is concluded by the Board of Selectmen that such service would be to the best interests of the Town.

This motion was defeated on voice vote. Mr. Robert Eppes moved for reconsideration. YES 275 NO 170

After more discussion a hand vote was taken on Mr. Humphrey's original motion. YES 313 NO 149

ARTICLE 43. To see if the Town will vote to consider changes in the Town of Chelmsford's zoning by-law and its accompanying map in a manner described as follows: A certain parcel of land in that part of Chelmsford known as East Chelmsford and bounded and described as follows: To change from a Limited Industrial IA District to a single residence RB District the following area of land: Westerly by Hale Brook approximately 450 feet more or less; thence running Easterly by a line more or less parallel to Manning Road 500 feet; thence turning and running Northerly and running parallel to Delmore Drive about 500 feet; thence Easterly to Delmore Drive one hundred feet; thence Southerly along Delmore Drive 900 feet to Interstate Route 495; thence Westerly parallel to Manning Road 350 feet to Hale Brook and point of beginning.

To change from a Single Residence RB to a Limited Industrial IA the following tract of land: Beginning at a point at the Northerly end of Delmore Drive; thence running Northerly and approximately 700 feet to Industrial Avenue; thence Easterly along and/or parallel to Industrial Avenue to the Chelmsford-Lowell Town Line 475 feet, more or less; thence Southerly 150 feet to a point; thence Westerly 250 feet to a point; thence Southerly 525 feet to a point; thence Westerly 100 feet to the point of beginning; or act in relation thereto.

UNDER ARTICLE 43. Mr. Bradford Emerson moved that the Town vote to consider changes in the Town of Chelmsford's zoning by-law and its accompanying map in a manner described as follows: A certain parcel of land in that part of Chelmsford known as East Chelmsford and bounded and described as follows: To change from a Limited Industrial IA District to a single residence RB District the following area of land:

Westerly by Hale Brook approximately 450 feet more or less; thence running Easterly by a line more or less parallel to Manning Road 500 feet; thence turning and running Northerly and running parallel to Delmore Drive about 500 feet; thence Easterly to Delmore Drive one hundred feet; thence Southerly along Delmore Drive 900 feet to Interstate Route 495; thence Westerly parallel to Manning Road 350 feet to Hale Brook and point of beginning.

To change from a Single Residence RE to a Limited Industrial IA the following tract of land: Beginning at a point at the Northerly end of Delmore Drive; thence running Northerly and approximately 700 feet to Industrial Avenue; thence Easterly along and/or parallel to Industrial Avenue to the Chelmsford-Lowell Town Line 475 feet, more or less; thence Southerly 150 feet to a point; thence Westerly 50 feet to a point; thence Southerly 525 feet to a point; thence Westerly 100 feet to the point of beginning.

It was so voted, unanimously.

UNDER ARTICLE 44. Taken up at previous meeting. (After Article 39)

ARTICLE 45. To see if the Town will vote to change that section of Harding Street which runs westerly from Dunstable Road to a dead end to Ruby Lane; or act in relation thereto.

UNDER ARTICLE 45. Mr. Bradford Emerson moved that the Town vote to change that section of Harding Street which runs westerly from Dunstable Road to a dead end to Ruby Lane. It was so voted.

ARTICLE 46. To see if the Town will vote to change that section of the former North Road running from dead end to dead end at Bisson Street to Western Avenue; or act in relation thereto.

UNDER ARTICLE 46. Mr. Bradford Emerson moved that the Town vote to change that section of the former North Road running from dead end to dead end at Bisson Street to Western Avenue. It was so voted.

ARTICLE 47. To see if the Town will vote to change Heather Lane to Thomas Drive; or act in relation thereto.

UNDER ARTICLE 47. Mr. Bradford Emerson moved that the Town vote to change Heather Lane to Thomas Drive. It was so voted.

ARTICLE 48. To see if the Town will vote to change Kidder Drive to Rack Road; or act in relation thereto.

UNDER ARTICLE 48. Mr. Bradford Emerson moved that the Town vote to change Kidder Drive to Rack Road. It was so voted.

ARTICLE 49. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money to the Conserva-

tion Fund to be used for conservation purposes in accordance with Massachusetts General Laws, Chapter 123A, Section 11, and Massachusetts General Laws, Chapter 40, Section 8C, as amended, said sum to be used to purchase the land bounded and described as follows: land containing 35 acres, more or less, located on the southerly side of Acton Road in Chelmsford and being land now or formerly owned by Lester Ball; or act in relation thereto.

UNDER ARTICLE 49. Mr. Edmund Polubinski moved that the Town vote to raise and appropriate a sum of Forty Thousand (\$40,000) Dollars to the Conservation Fund to be used for conservation purposes in accordance with Massachusetts General Laws, Chapter 123A, Section 11, and Massachusetts General Laws, Chapter 40, Section 8C, as amended, said sum to be used to purchase the land bounded and described as follows: land containing 35 acres, more or less, located on the southerly side of Acton Road in Chelmsford and being land now or formerly owned by Lester Ball. It was so voted.

On motion of Mr. Thaddeus Zabierek it was voted that a page of the Clerk's records be set aside in appreciation of the generosity of Mr. and Mrs. Lester F. Ball.

ARTICLE 50. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money to the Conservation Fund to be used for conservation purposes in accordance with Massachusetts General Laws, Chapter 123A, Section 11, and Massachusetts General Laws, Chapter 40, Section 8C, as amended, said sum to be used to purchase the land bounded and described as follows: land containing 17 acres, more or less, located on the westerly side of Dunstable Road in Chelmsford and being land now or formerly owned by Cyril Trubey; or act in relation thereto.

UNDER ARTICLE 50. Regarding land for conservation purposes on Dunstable Road, on motion of Mr. Edmund Polubinski this was dismissed.

ARTICLE 51. To see if the Town will vote to raise and appropriate or transfer from available funds a certain sum of money for application to the Conservation Fund; or act in relation thereto.

UNDER ARTICLE 51. Regarding appropriation or transfer of funds to conservation fund, on motion of Mr. Polubinski this was dismissed.

ARTICLE 52. To see if the Town will vote to approve a committee of seven (7) members, to be known as the Selectmen's Standing Committee, duties of which shall be to perform studies, compile information, and make recommendations on directed subject matters that will inspire and stimulate actions concerning proposed needs of business and of the citizens of the Town, and initial appointments shall be made by the Board of Selectmen; three (3) members for three years; two (2) members

for two years; and two (2) members for one year; and all future appointments or re-appointments shall be made for three years and recommendations for future appointments shall be made by the Selectmen's Standing Committee, with the Board of Selectmen making the final decision; or act in relation thereto.

UNDER ARTICLE 52. Mr. Thaddeus W. Zabierek moved that the Town vote to approve a committee of seven (7) members, to be known as the Selectmen's Standing Committee, duties of which shall be to perform studies, compile information, and make recommendations on directed subject matters that will inspire and stimulate actions concerning proposed needs of business and of the citizens of the Town, and initial appointments shall be made by the Board of Selectmen; three (3) members for three (3) years; two (2) members for two (2) years; and two (2) members for one (1) year; and all future appointments or re-appointments shall be made for three years and recommendations for future appointments shall be made by the Selectmen's Standing Committee, with the Board of Selectmen making the final decision. This motion was defeated.

ARTICLE 53. To see if the Town will assume liability in the manner provided by Section 29, of Chapter 91 of the General Laws as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works in Massachusetts for the improvement, development, maintenance, and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores, and shores along a public beach, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

UNDER ARTICLE 53. Mr. Thaddeus W. Zabierek moved that the Town assume liability in the manner provided by Section 29, of Chapter 91 of the General Laws, as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works in Massachusetts for the improvement, development, maintenance, and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores, and shores along a public beach, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth. It was so voted.

ARTICLE 54. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of purchasing a new tractor backhoe and front-end lift for the Cemetery Department, said purchase to be under the direction of the Cemetery Commissioners.

UNDER ARTICLE 54. Mr. Arthur J. Colmer moved that the Town vote to raise and appropriate a sum of Five Thousand (\$5,000) Dollars for the purpose of purchasing a new tractor backhoe and front-end lift for the Cemetery Department, said purchase to be under the direction of the Cemetery Commissioners. It was so voted.

ARTICLE 55. In the event of an affirmative vote on the previous article, to see if the Town will vote to trade in one used tractor, now in use by the Cemetery Department, trade-in to be under direction of the Cemetery Commissioners.

UNDER ARTICLE 55. Mr. Arthur J. Colmer moved that the Town vote, in the event of an affirmative vote on the previous article, to trade in one (1) used tractor, now in use by the Cemetery Department, trade-in to be under the direction of the Cemetery Commissioners. It was so voted.

ARTICLE 56. To see if the Town will vote to transfer from the sale of lots and graves a certain sum for the purpose of repairing and hot-topping roads in the West Chelmsford Cemetery.

UNDER ARTICLE 56. Mr. Arne R. Olsen moved that the Town vote to transfer from the sale of lots and graves \$3,000.00 for the purpose of repairing and hottopping roads in the West Chelmsford Cemetery. It was so voted.

ARTICLE 57. To see if the Town will vote to transfer \$5,000 from perpetual care interest to perpetual care beautification account.

UNDER ARTICLE 57. Mr. Frank H. Hardy moved that the Town vote to transfer \$5,000 from perpetual care interest to perpetual care beautification account. It was so voted.

ARTICLE 58. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of repairing and painting fences in the West Chelmsford Cemetery.

UNDER ARTICLE 58. Mr. Frank H. Hardy moved that the Town vote to raise and appropriate the sum of \$4,000 for the purpose of repairing and painting fences in the West Chelmsford Cemetery. It was so voted.

ARTICLE 59. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of repairing and painting fences in the Pine Ridge Cemetery.

UNDER ARTICLE 59. Mr. Frank H. Hardy moved that the Town vote to raise and appropriate the sum of \$570.00 for the purpose of repairing and painting fences in the Pine Ridge Cemetery. It was so voted.

ARTICLE 60. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of repairing and painting fences in the Riverside Cemetery.

UNDER ARTICLE 60. Mr. Frank H. Hardy moved that the Town vote

to raise and appropriate the sum of \$475.00 for the purpose of repairing and painting fences in the Riverside Cemetery. It was so voted.

At this point Chairman Robert Barris of the Committee to study acquisition of land for Cemetery purposes made his report, advising the purchase of 37.87 acres on Riverneck Road.

ARTICLE 61. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of having appraisals made on land adjoining Pine Ridge Cemetery, Lot 6, Plat 116, containing 37.87 acres.

UNDER ARTICLE 61. \$275.00 for appraisal of land adjoining Pine Ridge Cemetery, Lot 6, Plat 116, containing 37.87 acres was so voted.

Mr. Gerald Lannan moved adjournment at 10:55 P.M. to April 1, 1968 at 7:30 P.M. at the High School Gymnasium. It was so voted.

ADJOURNED TOWN MEETING

April 1, 1968

Moderator Daniel J. Coughlin, Jr. called the adjourned Town Meeting to order at 7:45 P.M., recognizing the presence of a quorum. The meeting opened with Article 62.

ARTICLE 62. To see if the Town will enter into an agreement with the Automatic Voting Machine Co. to rent 36 voting machines to be used at the State Primaries and the National Election in 1968 and the Annual Town Election in 1969. Said rental to be applied toward the purchase should the Town so decide; or act in relation thereto.

UNDER ARTICLE 62. Mr. John Carr moved that the Town vote to rent 36 voting machines to be used at the State Primaries and the National Election in 1968 and the Annual Town Election in 1969. Said rental to be applied toward the purchase should the Town so decide; and for the aforesaid purpose, to raise and appropriate the sum of Seven Thousand Three Hundred and Twelve and 80 100 (\$7,312.80) Dollars. Motion defeated.

ARTICLE 63. To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase, eminent domain, or otherwise, in fee simple, certain parcels of land, situated on Graniteville Road and Old Westford Road, containing approximately twenty-four (24) acres in the name of Capitolina D. Avila and fifty-three (53) acres in the name of Frank Equi. Said land to be used as and for the site of a proposed new Secondary School, accessory buildings, and other school facilities

Said parcel containing approximately 23.88 acres.

connected therewith, in accordance with Chapter 40, Section 14 and/or Chapter 79 of the General Laws, as amended, and for the purpose of acquiring said land, to see if the Town will vote to appropriate a sufficient sum of money therefor; to determine how any such appropriation shall be raised, whether by transfer from any available funds, by taxation, by borrowing under the authority of Chapter 44 of the General Laws, by borrowing under the authority of Chapter 645 of the Acts of 1948, as amended, or by any or all said methods, and, if by borrowing, to authorize the issuance of bonds or notes of the Town; or act in relation thereto.

UNDER ARTICLE 63. Mr. Philip Campbell moved that the Town vote to authorize the Selectmen to transfer from the Excess and Deficiency Account the sum of One Hundred Twelve Thousand, Two Hundred (\$112,200) Dollars. Said sum to be used by the Selectmen to acquire by purchase, eminent domain, or otherwise, in fee simple, three (3) certain parcels of land located in Chelmsford and bounded and described as follows:

Land in Chelmsford being the property, now or formerly of Capitolina Dias Avila, beginning at the southwesterly corner of the premises on the Westford Road at land of William Proctor, now or formerly, and thence running northeasterly by the wall of said Proctor's land, about six hundred and eight (608) feet to the end of the wall; thence still northeasterly by said Proctor's land to the center of a brook; thence easterly by the brook to land of Equi, now or formerly; thence easterly by said Equi land to a stone bound in the old brook at a fence; thence up the brook in a general southwesterly direction by said Equi land, about seven hundred and fifty-four and 70/100 (754.70) feet to said Westford Road; thence westerly by said Westford Road about one thousand and eighty-four and 50/100 (1,084.50) feet to the point of beginning.

Land located in Chelmsford being the property of Frank Equi and located on Graniteville Road and Old Westford Road and being shown as Lot 3 on the Assessors' Map, and bound and described as follows:

Beginning at that southwesterly corner of said Lot 3 at a brook and adjacent to land of the above said Avila; thence running northeasterly along Old Westford Road about one thousand (1,000) feet to the junction of Route 3; thence following Route 3 in a northwesterly direction approximately One Thousand Seven Hundred and Fifty (1,750) feet; thence westerly one hundred and fifty (150) feet along Lot 5D of said Equi land; thence southerly along said Equi land three hundred and fifty (350) feet; thence westerly along said Equi land One Thousand Seven Hundred (1,700) feet to Richardson Road; thence southerly along Richardson Road approximately Three hundred and thirty (330) feet to the land of one Becker; thence easterly by said

Becker land Two Thousand One Hundred (2,100) feet to a brook dividing the Avila and Equi land; thence following the brook in an easterly and northerly direction to the point of beginning.

Said land containing approximately 36.35 acres.

The land in the name of Frank Equi as shown as Lot 5D on the Assessors' Map, Town of Chelmsford and described as follows:

Beginning at the point at the southwesterly corner of the junction of land now owned by the Town of Chelmsford and running three hundred and fifteen (315) feet in a northerly direction; thence northeasterly seven hundred and ten (710) feet to Route 3; thence along Route 3 in a southeasterly direction about nine hundred and twenty-five (925) feet; thence following Lot 3 of land of Equi in a westerly direction about one hundred and fifty (150) feet; thence southerly along the same land four hundred (400) feet; thence westerly one thousand one hundred and fifty (1,150) feet to the point of beginning. Said parcel of land containing approximately 18.11 acres.

Said three parcels to be used as and for the site of a proposed new Secondary School, accessory buildings, and other school facilities connected therewith, in accordance with Chapter 40, Section 14, and/or Chapter 79 of the General Laws, as amended.

AVILA 52,300

EQUI 59,900

A hand vote was taken YES 344 NO 4 Motion Carried

ARTICLE 64. In the event of an affirmative vote under Article 63, to see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the use of the Elementary School Needs Committee in securing preliminary plans, legal and technical advice, specifications, and costs for the construction of a secondary school in Chelmsford.

UNDER ARTICLE 64. Mr. Philip Campbell moved that the Town vote to raise and appropriate the sum of Ten Thousand (\$10,000) Dollars for the use of the Elementary School Needs Committee in securing preliminary plans, legal and technical advice, specifications, and costs for the construction of a secondary school in Chelmsford. It was so voted unanimously.

ARTICLE 65. To see if the Town will vote the following, that an Industrial Development Financing Authority is needed in the Town of Chelmsford and that (1) unemployment or the threat thereof exists in the Town of Chelmsford, or (2) security against future unemployment and lack of business opportunity is required in the Town, and that unemployment or the threat thereof can be alleviated or the security against future unemployment and lack of business opportunity can be provided, by attracting new industry to the Town or substantially expanding industry existing in the Town through an industrial development

project or projects financed under Chapter 772 of the Acts of 1967. The Town Meeting determines that there is need for such an authority and in making this determination, the Town Meeting has taken into consideration the Town's ability to adjust to any expected increase in the demand for municipal facilities and services as a result of the expected increase in employment and business activity from such an industrial development.

UNDER ARTICLE 65. It was voted on motion of Mr. Richard T. McDermott regarding Industrial Development financing authority to dismiss Article 65.

ARTICLE 66. To see if the Town will vote to accept a gift of a parcel of land, the property of Roberts Homes, Inc., through a Quitclaim Deed in fee simple from Roberts Homes, Inc. to the Town of Chelmsford. Said Deeds dated 18th day of January, 1968, and more particularly described as land in Chelmsford situated on the southwesterly side of Crab Apple Land and being shown as Lot A on a plan entitled "Fieldstone Manor, Re-subdivision of Lots in Chelmsford, Mass., for Roberts Homes, Inc., June 27, 1967, Dana F. Perkins & Sons, Inc., Civil Engineers and Surveyors", and which plan is to be recorded herewith at the Middlesex North District Registry of Deeds. Said lot containing 3.35 acres, more or less.

UNDER ARTICLE 66. Mr. Bradford Emerson moved that the Town vote to accept a gift of a parcel of land, the property of Roberts Homes, Inc., through a Quitclaim Deed in fee simple from Roberts Homes, Inc. to the Town of Chelmsford. Said Deed dated 18th day of January, 1968, and more particularly described as land in Chelmsford situated on the southwesterly side of Crab Apple Land and being shown as Lot A on a plan entitled "Fieldstone Manor, Re-subdivision of Lots in Chelmsford, Mass., for Roberts Homes, Inc., June 27, 1967, Dana F. Perkins & Sons, Inc., Civil Engineers and Surveyors", and which plan is to be recorded herewith at the Middlesex North District Registry of Deeds. Said lot containing 3.35 acres, more or less.

On motion of Mrs. Mills to dismiss. This motion was defeated.

Voice Vote — Mr. Emerson's motion carried.

ARTICLE 67. To see if the Town of Chelmsford will vote to increase the membership of the Chelmsford School Committee from three (3) members to seven (7) members to be elected as follows:

- 1969 Two (2) members to be elected for a three (3) year term; two (2) members to be elected for a two (2) year term; and one (1) member to be elected for a one (1) year term.
- 1970 Two (2) members to be elected for a three (3) year term.
- 1971 Three (3) members to be elected for a three (3) year term.
- 1972 Two (2) members to be elected for a three (3) year term.
- 1973 The 2-3-2 system to continue and to begin a new cycle in accordance with General Laws of Massachusetts, Chapter 39, Section 10

and Chapter 41, Section 2; or take any other action relative thereto.

UNDER ARTICLE 67. Mr. George Odell moved to amend Article 67 to read as follows: To see if the Town of Chelmsford will vote to increase the membership of the Chelmsford School Committee from three (3) members to five (5) members to be elected as follows:

- 1969 Two (2) members to be elected for a three (3) year term; one one (1) member to be elected for a two (2) year term; and
- 1970 One (1) member to be elected for a three (3) year term.
- 1971 Two (2) members to be elected for a three (3) year term.
- 1972 Two (2) members to be elected for a three (3) year term.
- 1973 The 1-2-2 system to continue and to begin a new cycle in accordance with General Laws of Massachusetts, Chapter 39, Section 10 and Chapter 41, Section 2.

It was voted as amended unanimously.

ARTICLE 68. To see if the Town will vote to appoint a five (5) member committee to investigate the advisability of submitting to the Town at the 1969 Town Meeting an article to establish a Department of Public Works in accordance with the General Laws of Massachusetts, Chapter 41, Sections 69C - 69F, the Department of Public Works to encompass the functions and responsibilities of Surveyor of Highways, Superintendent of Streets, Sewer Department, Street Light Department, Park Department, Playgrounds, Memorial Beaches, Cemetery Department, Forestry Department, Hydrant Service Department, Tree Warden, Moth Superintendent, Dutch Elm Disease Control Department, Poison Ivy Department, Sealer of Weights and Measures and Public Buildings Department; or take any other action relative thereto.

UNDER ARTICLE 68. On motion of Timothy F. O'Connor regarding establishment of Public Works Department. This motion was defeated.

ARTICLE 69. To see if the Town will vote to accept the provisions of Massachusetts General Laws, Chapter 40, Section 8B and authorize the Board of Selectmen to establish a council on aging and to appoint a committee of five (5) residents for the purpose of co-ordinating or carrying out programs designed to meet the problems of the aging in coordination with programs of the commission on aging, established under Section 73 of Chapter 6. The council shall submit an annual report to the city or town and shall send a copy thereof to the commission on aging. The commission on aging, from time to time, shall review and evaluate such reports and make recommendations as to any required or needed changes in said local programs. The council may appoint such clerks and other employees as it may require; and to raise and appropriate or transfer from available funds the sum of \$500 to defray expenses for the purposes mentioned in the above article or act in relation thereto.

UNDER ARTICLE 69. Mary McAuliffe moved that the Town vote to accept the provisions of Massachusetts General Laws, Chapter 40, Section 8B and authorize the Board of Selectmen to establish a council on aging and to appoint a committee of five (5) residents for the purpose of coordinating or carrying out programs designed to meet the problems of the aging in co-ordination with the programs of the commission on aging, established under Section 73 of Chapter 6. The council shall submit an annual report to the city or town and shall send a copy thereof to the commission on aging. The commission on aging, from time to time, shall review and evaluate such reports and make recommendations as to any required or needed changes in said local programs. The council may appoint such clerks and other employees as it may require; and to raise and appropriate or transfer from available funds the sum of \$500 to defray expenses for the purposes mentioned in the above article. It was so voted.

ARTICLE 70. To see if the Town will vote to authorize the Board of Selectmen to purchase, take by eminent domain, or otherwise acquire for highway purposes the following parcel of land at the intersection of Acton Road and Bartlett Street, said property being held in title by the Chelmsford Land Conservation Trust and being described as follows:

Beginning at a stone bound on the southerly side of Acton Road; then southerly on a curve, radius of 13.47 feet to a distance of 32.45 feet; then south $28^{\circ} 46' 40''$ a distance of 29.96 feet; then northerly on a curve radius of 25.92 feet a distance of 61.01 feet; then north $73^{\circ} 54' 30''$ east a distance of 29.96 feet to the point of beginning. Said land containing approximately $604.09 \pm$ square feet.

And to see if the Town will vote to raise and appropriate or transfer from available funds a certain sum for the purposes set forth here; or act in relation thereto.

UNDER ARTICLE 70. Mr. Gerald Lannan moved that the Town vote to authorize the Board of Selectmen to purchase or take by eminent domain for highway purposes the following parcel of land at the intersection of Acton Road and Bartlett Street, said property being held in title by the Chelmsford Land Conservation Trust and being described as follows:

Beginning at a stone bound on the southerly side of Acton Road; thence southerly on a curve, radius of 13.47 feet a distance of 32.45 feet; thence southerly $28^{\circ} 46' 40''$ a distance of 29.96 feet; thence northerly on a curve radius of 25.92 feet a distance of 61.01 feet; thence northerly $73^{\circ} 54' 30''$ east a distance of 29.96 feet to the point of beginning. Said land containing approximately $604.09 \pm$ square feet.

And Mr. Lannan further moved that the Town vote to raise and appropriate the sum of One Thousand Six Hundred and One (\$1,601) Dollars for the purposes set forth here. It was so voted, unanimously.

UNDER ARTICLE 71. Taken up out of order on March 25, 1968 meeting.

ARTICLE 72. In the event of an affirmative vote under the preceding article, to see if the Town will vote to raise and appropriate or transfer from available funds a certain sum, said sum to be utilized by the Board of Selectmen as the Town's assessment for bus service for the year 1968; or act in relation thereto.

UNDER ARTICLE 72. Mr. Howard Humphrey moved that the Town vote to raise and appropriate from available funds \$25,000, said sum to be authorized by the Board of Selectmen as the Town's assessment for bus service for the year 1968. This motion failed.

ARTICLE 73. To see if the Town will vote to authorize the Board of Selectmen to purchase, take by eminent domain, or otherwise acquire for municipal parking purposes the following two parcels of land with the buildings thereon.

One parcel of land situated at #3 North Road adjacent to the Town Hall, the property of Harold Davis, and containing approximately 10,786 square feet.

The second parcel situated at #5 North Road adjacent to the above-mentioned Davis Lot, the property of Walter Bell, and containing approximately 9,853 square feet;

and to raise and appropriate or transfer from available funds a sum of money for the aforesaid purpose.

UNDER ARTICLE 73. Mr. Bradford Emerson moved that the Town vote to authorize the Board of Selectmen to purchase, take by eminent domain, or otherwise acquire for municipal parking purposes the following two parcels of land with the buildings thereon.

One parcel of land situated at #3 North Road adjacent to the Town Hall, the property of Harold Davis, and containing approximately 10,786 square feet.

The second parcel situated at #5 North Road adjacent to the above-mentioned Davis Lot, the property of Walter Bell, and containing approximately 9,853 square feet;

and to raise and appropriate the sum of Forty-one Thousand (\$41,000) Dollars for the aforesaid purpose. This motion was defeated.

ARTICLE 74. In the event of an affirmative vote under the preceding article, to see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$6,000, said sum to be used by the Board of Selectmen to raze the buildings on the parcels of land and construct the parking facilities.

UNDER ARTICLE 74. Re: purchase price for Article #73 — DISMISSED

ARTICLE 75. To see if the Town will vote to authorize the Board

of Selectmen to appoint a committee of five (5) residents, said committee to be known as the Town of Chelmsford Celebration Committee. The duties and responsibility of the Committee being to assist, arrange, and coordinate, with the approval of the Board of Selectmen, all preparations and execution of plans for observance of national, state, and town celebrations and holidays or act in relation thereto.

UNDER ARTICLE 75. Mr. William Harvey moved that the Town vote to authorize the Board of Selectmen to appoint a committee of five (5) residents, said committee to be known as the Town of Chelmsford Celebration Committee. The duties and responsibility of the Committee being to assist, arrange, and coordinate with the approval of the Board of Selectmen all preparations and execution of plans for observance of national, state, and town celebrations and holidays.

Mr. George Odell moved an amendment limiting the Committee to Fourth of July Celebration Committee.

This motion failed. The original motion carried.

ARTICLE 76. In the event of an affirmative vote under the preceding article, to see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$750, said sum to be used by the Committee for expenses incurred in the purposes for which the Committee is appointed; or act in relation thereto.

UNDER ARTICLE 76. Mr. William Harvey moved that, in the event of an affirmative vote under the preceding article, the Town vote to raise and appropriate the sum of Seven Hundred and Fifty (\$750) Dollars, said sum to be used by the Committee for expenses incurred in the purposes for which the Committee is appointed. This motion failed.

ARTICLE 77. To see if the Town will vote to authorize the Board of Selectmen to sell or transfer by Quitclaim Deed for the sum of \$1.00 a certain parcel of land located at the intersection of Turnpike Road and Mill Road known as Lot 72 on the Chelmsford Assessors' Map, said parcel to be held by Chelmsford Chapter 42 Disabled American Veterans to be used for construction of quarters by said organization with the said property to be held by such organization only so long as the property is used by them; or act in relation thereto.

UNDER ARTICLE 77. Mr. Howard Humphrey moved that the Town dismiss Article 77, regarding land for Disabled American Veterans. It was so voted.

ARTICLE 78. To see if the Town will vote to authorize the Board of Selectmen to purchase, take by eminent domain, or otherwise acquire for highway purposes for what is termed the Summer Street relocation the following tracts of land:

Lot 10 — Robert Grant MacElroy

Beginning at a stone bound on the southerly side of Billerica Street,

then westerly on a curve, radius 926.57 feet a distance of 21.42 feet; then southerly on a curve, radius 20.00 feet a distance of 27.31 feet; then S. 37° 39' E a distance of 160.21 feet; then an angle of 112° 32' 14'' a distance of 5.98 feet; then northwesterly on a curve radius 193.24 feet a distance of 12.68 feet, then N 37° 39' W a distance of 165.08 feet, to the point of beginning.

Area — 938.79± square feet

Lot 11 — Bertha M. MacElroy

Beginning at a stone bound on the westerly side of Grove Street S 74° 53' 14'' W. a distance of 5.98 feet; then S. 37° 39' E a distance of 92.72 feet; then an angle 112° 32' 14'' a distance of 53.90 feet; then westerly on a curve radius 193.24 feet and a distance of 121.64 feet to the point of beginning.

Area — 2,204.07± square feet

Lot 12 — Leonard S. and Jennie E. MacElroy —

Frederick A. and Maybelle F. MacElroy

Beginning at the new common lot corner of Lot 11 and 12 at the westerly side of Grove Street, S. 37° 39' E. a distance of 127.01 feet; then southeasterly on a curve radius 300 feet a distance of 215.69 feet; then N. 70° 29' 15'' E. a distance of 8.65 feet; then northerly on a curve radius 800.25 feet a distance of 13.23 feet; then N. 19° 52' 15'' E. a distance of 65.56 feet; then northwesterly on a curve radius 340 feet a distance of 168.22 feet; then N. 37° 39' W. a distance of 110.41 feet; then S. 74° 53' 14'' W. 43.31 feet to the point of beginning.

Area — 9,774.22± square feet

Lot 29 — Carl A. E. Peterson

Beginning at the new common lot corner of Lot 12 and 29 at the westerly side of Grove Street, then southerly on a curve radius 300 feet a distance of 55.22 feet to a point on a compound curve, then northerly on a curve radius 800.25 feet a distance of 59.77 feet; then S. 70° 29' 15'' W. a distance of 8.65 feet to the point of beginning.

Area — 79.25± square feet

And to see if the Town will vote to raise and appropriate or transfer from available funds a certain sum for the above-mentioned purposes; or act in relation thereto.

UNDER ARTICLE 78. Mr. William Harvey moved that the Town vote to authorize the Board of Selectmen to purchase, take by eminent domain, or otherwise acquire for highway purposes for what is termed the Summer Street relocation the following tracts of land:

Lot 10 — Robert Grant MacElroy

Beginning at a stone bound on the southerly side of Billerica Street, then westerly on a curve, radius 926.57 feet a distance of 21.42 feet; then southerly on a curve, radius 20.00 feet a distance of 27.31 feet; then S 37° 39' E a distance of 160.21 feet; then an angle of 112° 32' 14'' a distance of 5.98 feet; then northwesterly on a curve radius 193.24 feet a distance of 12.68 feet, then N 37° 39' W a distance of 165.08 feet,

to the point of beginning.

Area — 938.79± square feet \$250.00

Lot 11 — Bertha M. MacElroy

Beginning at a stone bound on the westerly side of Grove Street S 74° 53' 14" W. a distance of 5.98 feet; then S. 37° 39' E a distance of 92.72 feet; then an angle 112° 32' 14" a distance of 53.90 feet; then westerly on a curve radius 193.24 feet and a distance of 121.64 feet to the point of beginning.

Area — 2,204.07± square feet \$350.00

Lot 12 — Leonard S. and Jennie E. MacElroy —

Frederick A. and Maybelle F. MacElroy

Beginning at the new common lot corner of Lot 11 and 12 at the westerly side of Grove Street, S. 37° 39' E. a distance of 127.01 feet; then southeasterly on a curve radius 300 feet a distance of 218.69 feet; then N. 70° 29' 15" E. a distance of 8.65 feet; then northerly on a curve radius 800.25 feet a distance of 13.23 feet; then N. 19° 52' 15" E. a distance of 65.56 feet; then northwesterly on a curve radius 340 feet a distance of 168.22 feet; then N. 37° 39' W. a distance of 110.41 feet; then S. 74° 53' 14" W. 43.31 feet to the point of beginning.

Area — 9,774.22± square feet \$1,500.00

Lot 29 — Carl A. E. Peterson

Beginning at the new common lot corner of Lot 12 and 29 at the westerly side of Grove Street, then southerly on a curve radius 300 feet a distance of 55.22 feet to a point on a compound curve, then northerly on a curve radius 800.25 feet a distance of 59.77 feet; then S. 70° 29' 15" W. a distance of 8.65 feet to the point of beginning.

Area — 79.25± square feet \$50.00

And further moved that the Town vote to raise and appropriate the sum of Two Thousand One Hundred Fifty (\$2,150.00) Dollars for the above mentioned purposes. It was so voted unanimously.

ARTICLE 79. To see if the Town will authorize the Selectmen to accept on behalf of the Town of Chelmsford by quitclaim deed from William Hafey of Chelmsford, or act in relation thereto, the said two parcels of land being described as follows:

Parcel 1: Land on Fifth Avenue in said Chelmsford being Lot 199 on a Plan of Land entitled "Anglus Park", recorded in the Middlesex North District Registry of Deeds, Plan Book 48, Plan 73, and supposed to contain about 1650 square feet of land.

Parcel 2: Land situated on Mallorey Street, containing 3,875 square feet and being shown on a plan of land entitled "Crystal Lake Shores", recorded with said Registry of Deeds, Plan Book 62, Plan 58. The said lot is also shown on Assessors' Maps in Assessors' Office of Chelmsford on Plat 45, Block 16, Lot 24.

The said two parcels of land being more clearly described in a Deed dated May 31, 1966, and to be recorded with the Middlesex North District Registry of Deeds.

UNDER ARTICLE 79. Mrs. Charlotte P. DeWolf moved that the Town vote to authorize the Selectmen to accept on behalf of the Town of Chelmsford by quitclaim deed from William Hafey of Chelmsford the said two parcels of land being described as follows:

Parcel 1: Land on Fifth Avenue in said Chelmsford being Lot 199 on a Plan of Land entitled "Anglus Park", recorded in the Middlesex North District Registry of Deeds, Plan Book 48, Plan 73, and supposed to contain about 1650 square feet of land.

Parcel 2: Land situated on Malloreay Street, containing 3,875 square feet and being shown on a plan of land entitled "Crystal Lake Shores", recorded with said Registry of Deeds, Plan Book 62, Plan 58. The said lot is also shown on Assessors' Maps in Assessors' Office of Chelmsford on Plat 45, Block 16, Lot 24.

The said two parcels of land being more clearly described in a Deed dated May 31, 1966, and to be recorded with the Middlesex North District Registry of Deeds. It was so voted unanimously.

ARTICLE 80. In the event of the affirmative vote under Article 79, to see if the Town will vote to authorize the Selectmen on behalf of the Town of Chelmsford to sell and/or convey by quitclaim deed the above described property in Article 79; or act in relation thereto, if in the interests of the Town of Chelmsford, they determine so to do.

UNDER ARTICLE 80. Mrs. Charlotte P. DeWolf moved that, in the event of an affirmative vote under Article 79, that the Town vote to authorize the Selectmen, on behalf of the Town of Chelmsford, to sell and/or convey by quitclaim deed the above described property in Article 79; if, in the interest of the Town of Chelmsford, they determine to do so. It was so voted, unanimously.

ARTICLE 81. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town by good and sufficient quitclaim deed a certain parcel of land from Marguerite E. Perham of Chelmsford and Robert S. Curtiss of Bronxville, New York; or act in relation thereto, said parcel of land on Westford Street in said Chelmsford and shown as Lot 27B on Chelmsford Assessors' Plan 179, Block 42, containing approximately 720 square feet and in the event of an affirmation vote under this article to see if the Town will vote to authorize the Selectmen on behalf of the Town of Chelmsford to sell and/or convey by quitclaim deed the above-described property or to act in relation thereto, if in the interests of the Town of Chelmsford, they determine so to do.

UNDER ARTICLE 81. Mrs. Charlotte P. DeWolf moved that the Town vote to authorize the Board of Selectmen to accept on behalf of the Town by good and sufficient quitclaim deed a certain parcel of land from Marguerite E. Perham of Chelmsford and Robert S. Curtiss of Bronxville, New York; said parcel of land on Westford Street in said Chelms-

ford and shown as Lot 27B on Chelmsford Assessors' Plan 179, Block 42, containing approximately 720 square feet and in the event of an affirmative vote under this article, further moved that the Town vote to authorize the Selectmen on behalf of the Town of Chelmsford to sell and/or convey by quitclaim deed the above described property. It was so voted, unanimously.

ARTICLE 82. To see if the Town will vote to accept the following streets as laid out by the Board of Selectmen and shown by their reports and plans duly filed in the office of the Town Clerk, and to raise and appropriate or transfer from available funds a certain sum of money for the purpose of reconstructing the following streets or act in relation thereto: Alpha Road, Amble Road, Blacksmith Road, Brian Road, Cambridge Street, Checkerberry Lane, Churchill Road, Delmore Drive, Draycoach Drive, Footpath Road, Gallop Drive, Grace Street, Horseshoe Road, Manhattan Drive, Mount Auburn Street, Nevada Drive, Old Stage Road, Pecos Circle, Prairie Road, Rack Road, Ranch Road, Regina Drive, Santa Fe Road, Sierra Drive, Sonora Drive, Stillwater Drive, Stonehill Road, Topeka Circle, Tremont Road, or act in relation thereto; providing all construction of same meets with the requirements of the Board of Selectmen and subject to the withholding of any remaining bonds until said requirements have been met.

UNDER ARTICLE 82. Mr. Gerald J. Lannan moved that the Town accept the following streets as laid out by the Board of Selectmen and shown by their reports and plans duly filed in the office of the Town Clerk, and to raise and appropriate \$2,400.00 for the purpose of reconstructing the following streets: Alpha Road, Amble Road, Blacksmith Road, Brian Road, Cambridge Street, Checkerberry Lane, Churchill Road, Delmore Drive, Draycoach Drive, Footpath Road, Gallop Drive, Grace Street, Horseshoe Road, Manhattan Drive, Mount Auburn Street, Nevada Drive, Old Statge Road, Pecos Circle, Prairie Road, Rack Road, Ranch Road, Regina Drive, Santa Fe Road, Sierra Drive, Sonora Drive, Stillwater Drive, Stonehill Road, Topeka Circle, Tremont Road, providing all construction of same meets with the requirements of the Board of Selectmen, and subject to the withholding of any remaining bonds until said requirements have been met.

Brian Road	\$1,500.00
Grace Street	400.00
Delmore Drive	500.00

It was so voted, unanimously.

ARTICLE 83. To see if the Town will vote to instruct the Board of Assessors to issue the sum of Two Hundred Thousand and 00/100 (\$200,000.00) Dollars or some other sum from Free Cash in the Treasury for the reduction of the 1968 tax rate; or act in relation thereto.

UNDER ARTICLE 83. Mr. Gerald J. Lannan moved that the Town vote to instruct the Board of Assessors to issue the sum of Two Hundred Thousand and 00/100 (\$200,000.00) Dollars from Free Cash in the Treasury for the reduction of the 1968 tax rate. It was so voted unanimously.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the McFarlin School - All Purpose Room; Auditorium - North School; Band Room - Junior High School; East Chelmsford School; Liberty Hall - South Chelmsford; Auditorium - Westlands School; Auditorium - North School; Small Gymnasium - High School; Cafeteria - South Row School; Library - Westlands school, seven days at least before the time appointed for holding the meeting aforesaid.

HEREOF FAIL NOT and make return of the Warrant with your doings thereon to the Town Clerk at the time and place of holding this meeting aforesaid.

GIVEN UNDER OUR HANDS this 8th day of February, 1968.

HOWARD E. HUMPHREY
GERALD J. LANNAN
WILLIAM L. HARVEY

COMMONWEALTH OF MASSACHUSETTS

CHARLOTTE P. DeWOLF
Town Clerk

Public Welfare

DEPARTMENT OF VETERANS' SERVICES

To the Honorable Board of Selectmen

Town Hall

Chelmsford, Mass.

Gentlemen:

During the fiscal year 1968 monetary aid was granted to 61 cases representing 211 persons.

With the advent of the Vietnam crisis service work to veterans has increased tremendously.

This department assisted scores of veterans and their dependents in filing for VA and other benefits to which they were entitled.

Year	Budget	Expenditures
1967	\$32,423.00	\$30,075.00
1968	39,760.00**	37,961.41

**Includes \$7,500.00 supplemental.

Respectfully submitted,

TERRENCE E. O'ROURKE
Veterans' Agent

PUBLIC WELFARE

Paul MacMillan, Director

Howard E. Humphrey

**William L. Harvey,
Chairman**

Gerald J. Lannan

The first six months of 1968 the Welfare Department operated under limited Chelmsford Board of Public Welfare Administration. Expenditure figures for the period can be found in the Accountant's report. The case-load as a whole continued its upward trend. However, Old Age Assistance held a static case load figure of 100. Medic Aid accounted for most of the increase, while Aid to Families With Dependent Children was second in effect.

On July 1, 1968, the Commonwealth of Massachusetts assumed full administrative control and Costs of all Welfare including General Relief. This is why there is no budget figure for the Welfare Department to contend with in the 1969 estimates. Arrangements were consummated with the State Department for equitable return to the Town so that the Welfare Department could remain in the same quarters in the Town Hall on North Road. This situation will continue until such time as the State establishes a Community Service Center.

Meanwhile the same services and the same programs of Aid to Families with Dependent Children, Disability Assistance, Old Age Assistance, Medic Aid, and General Relief will continue to operate from Chelmsford Town Hall. The same staff is there to assist.

Respectfully submitted,

PAUL MacMILLAN

REPORT OF THE COUNCIL ON AGING

Edward A. Bunker, Chairman

Mary K. McAuliffe, Secretary

Rev. George Hickey, Treasurer

Lillian Gould, President of the Senior Citizens

Otis W. Gould

Rev. Wayne S. Moody
(Resigned June 1968)

Board of Selectmen

Chelmsford, Mass.

Gentlemen:

At the Annual Town Meeting of March 1968 the people voted to establish a Council on Aging and to aid in promoting programs for the aging. A sum of five hundred dollars (\$500.00) was appropriated to defray expenses.

To date we have established correspondence with the State Director of Community Services, Council for the Aging, Boston, Massachusetts. They, as the Selectmen of Chelmsford, have received our report of this year 1968.

Appropriation March 1968	\$500.00
Balance December 1968	205.00
Senior Citizens Club Treasury	
1967	125.00
Balance December 1968	320.00

The main purpose and the three primary goals were established at the beginning of the year.

- (1) To establish the needs of the elderly.
- (2) To enroll as many interested people over the age of 60 years young as possible.
- (3) As a committee we are developing programs to meet the interests of the elderly.

As a Council of the Aged, we feel our senior citizens have put forth much effort by visiting nursing homes, having cake and candy sales, etc. The proceeds of these sales were used to increase the treasury balance. As you can see this was increased by \$195.00 in one year. In essence, they are utilizing their time and fulfilling a purpose in life.

Respectfully submitted,
MARY K. McAULIFFE
Secretary

Votes cast at State and National Election Regular	11,835
Partial	50
	<hr/>
	11,885

The voters at the Annual Town Meeting, held in March of 1968, voted to eliminate the last imaginary line between precincts by setting the following lines between precincts five and ten as follows:

Beginning at the Stone Bound on Proctor Road between Carlisle and Chelmsford running easterly on the Town Line between Carlisle and Chelmsford to the center of Concord Road; thence running northerly on the center line of Concord Road to the intersection of Old Stage Road and Concord Road; thence northerly on the center line of Old Stage Road to the intersection of Sierra Drive thence turning west on Sierra Drive to the intersection of Sierra Drive and a Proposed Street named Smoke Rise Drive thence northerly on proposed Smoke Rise Drive to the intersection of another proposed street named Country Club Drive; thence turning westerly along the center line of proposed Country Club Drive to another proposed street named Green Valley Drive; thence northerly along center line of Green Valley Drive to a point on Acton Road just easterly of Brush Hill Road. Thus all of the voters living south and west of these lines will vote in Precinct Five beginning with the Annual Election in March of 1969.

One further change will be made at a future date by dividing Precinct 8 when new streets are in shape to divide this area which now carries some 1800 voters.

Respectfully submitted,

DOROTHY BORROWS, Chairman
